His warm hearted laugh is a sign that a true friend is near. Basketball and football games, concessions, class playnites, rallies, assemblies, Drivers' Education, commission meetings, . . . the list of his dedication is unending. He is the driving force behind the organization of our student government. His friendly and familiar presence can always be seen, ready to advise, encourage, and commend for a job well done.

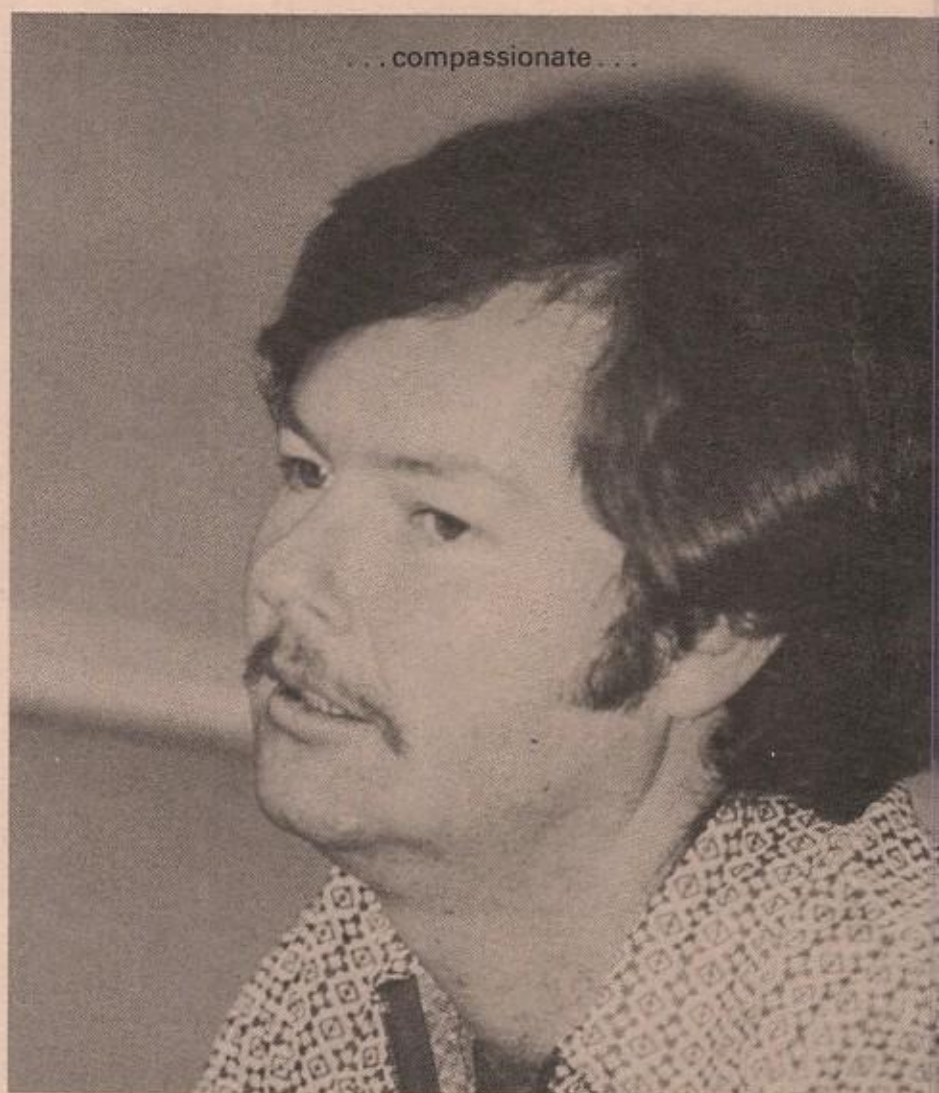

The 1973-74 Trojan Yearbook staff proudly dedicates this yearbook to you, Mr. Poulsen, not only for the hard-working effort you have placed into our school, but for just being there when a person needed a friend.

Concessions, Recycling, The Prom . . . Junior Class

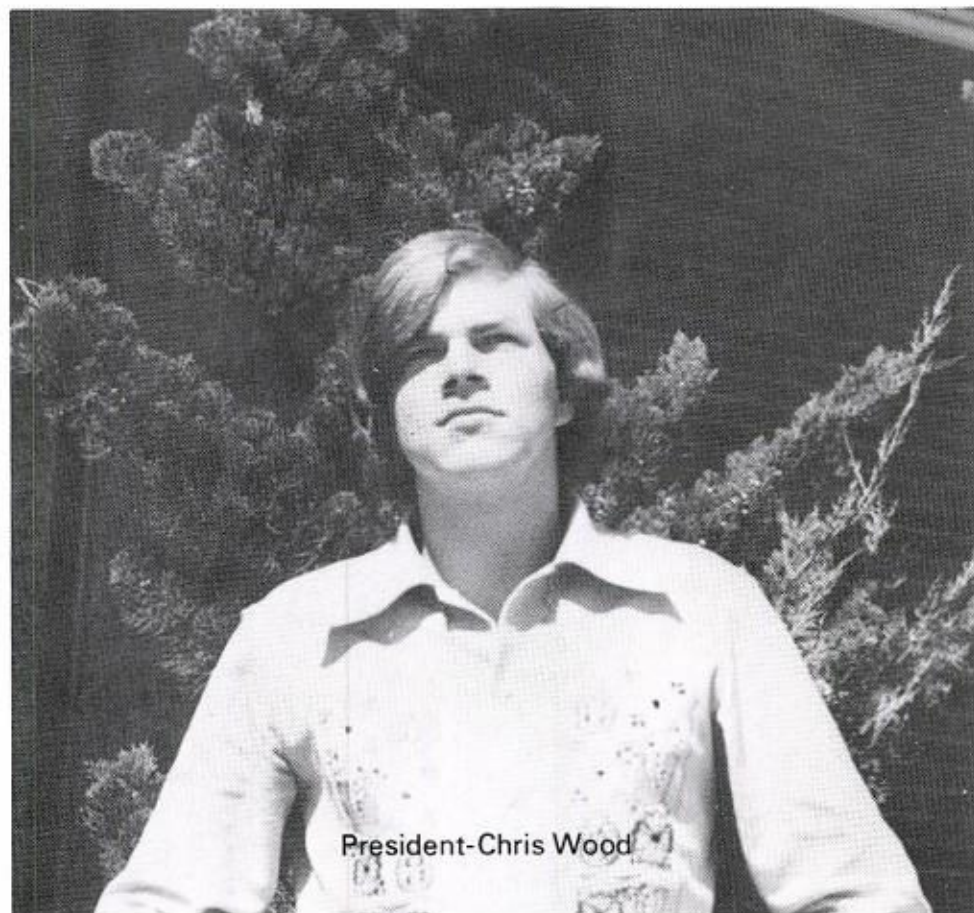

Class advisors
Mr. Espinoza, Mr. Mortensen, Mrs. Mortensen

The class of 1975 led by Chris Wood president, Cheryl Favero, vice president, Liz Edu, secretary, and Pat Amaro, treasurer, began the year with a fantastic Junior Playnight.

Actual business became a reality with basketball concessions, a mistletoe sale, a Glass Recycling Day, and bake sales, the proceeds of which went toward the Junior Prom which they sponsored.

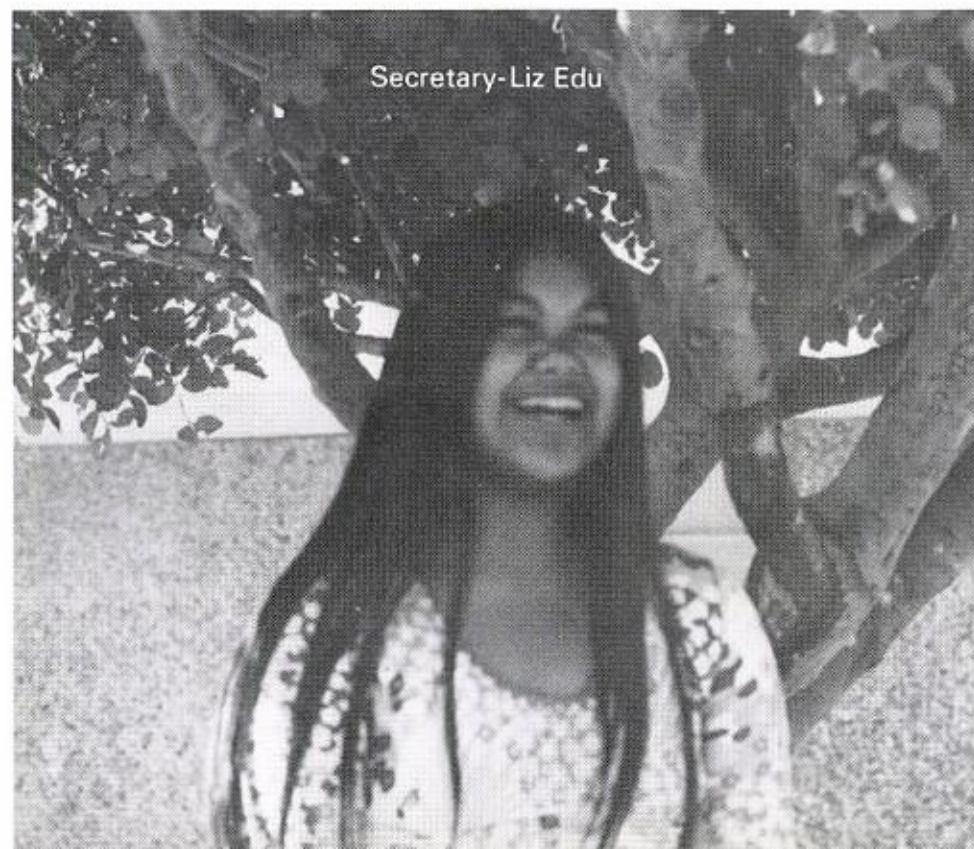

Along with their advisors, Mr. Espinoza, Mrs. Kay Mortensen and Mr. Gary Mortensen, they all combined to have a great year.

Rings, Candy Canes, Dances . . . Sophomore Class

Working together to make their last underclassman year a memorable one was the sophomore class headed by Ruben Pulido, president, Yolanda Barrigan, vice president, and Emma Cardona, secretary-treasurer.

Sparking many memorable activities, the homecoming dance, their initial venture, was a smashing success. A December candy sale added sweetly to their treasury and the selection of class rings boosted their morale.

The energetic advisors for the class of 1976 were Mr. Siordia and Ms. Sapiens who contributed enthusiastically their time and 76er support.

Sophomore Trivia

To Learn, To Give Spirit, To Have Fun . . .

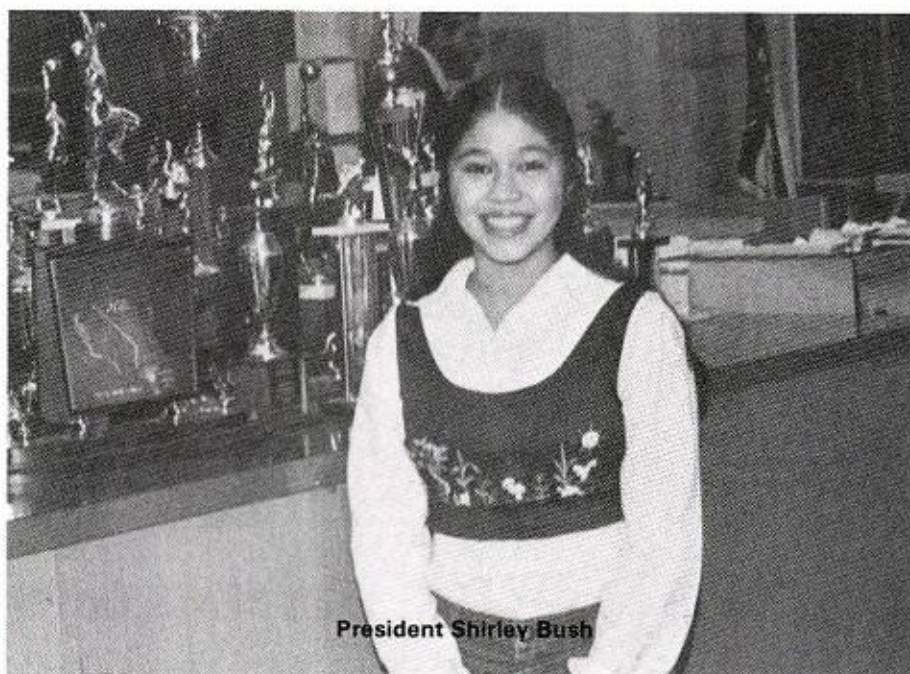

Freshman Class

During their first year at Alisal High the Freshman class led by Shirley Bush, president, Susie Abaya, vice president, and Rosalie Asuncion, secretary-treasurer all adjusted to high school life: demands and responsibilities, games and their playnight.

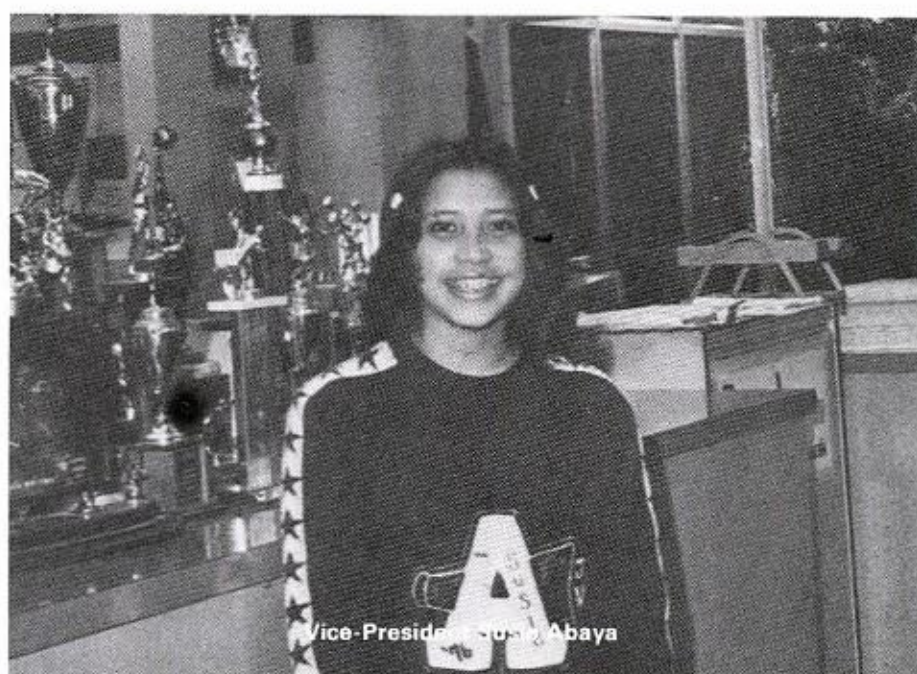

Together with their advisors, Miss Albano and Miss Stockton, they held such activities as their Christmas cookie sale and entered in the Christmas Door Decoration. In the spring during Easter, they held a chocolate bunny sale which all went toward their Freshman treasury.

Varsity Gridders Finish Third in MBL

Alisal High's varsity Football team made a strong showing on this year's grid-iron scene, sporting a 4-3-1 over-all and 3-3 league won-loss record. The Trojans coached by Coach Filice and Gary Mortensen, finished third in the South-Monterey Bay League, following Seaside (second) and Monterey (first).

The Monterey Toreadors proved to be the Trojans' toughest opponent in the league matchups, Alisal falling far short 48-7. Other season highlights were the 22-21 edging over cross-town rival Salinas High. Against the Cowboys, tail-back Al Romig was the workhorse for the ground game, including a 70 yard touchdown sprint along the sidelines.

Alisal completed the '73 season with a 40-14 win over Tennyson High of Hayward, coached by former Alisal coach, Milt Pickford. Alisal scoring was by David Dew, Al Romig, Danny Ross, and a Ross to Ritchie pass to finalize the scoring.

Premier Quarterback Danny Ross was chosen as the Gold Helmet Award winner as the outstanding player.

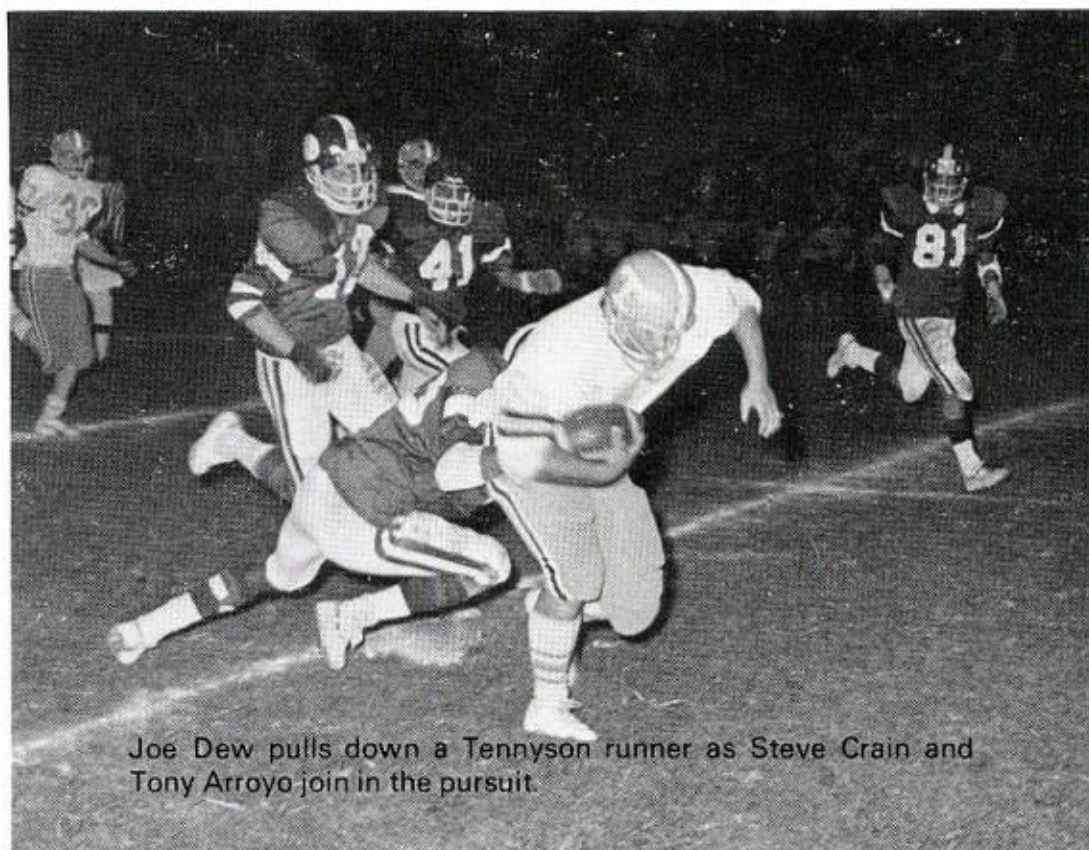

Lee Wilson, Ernie Amparano, and John Smith converge on a Salinas player.

Al Romig goes around the end for a long gain against Tennyson.

David Dew stops a Tennyson runner.

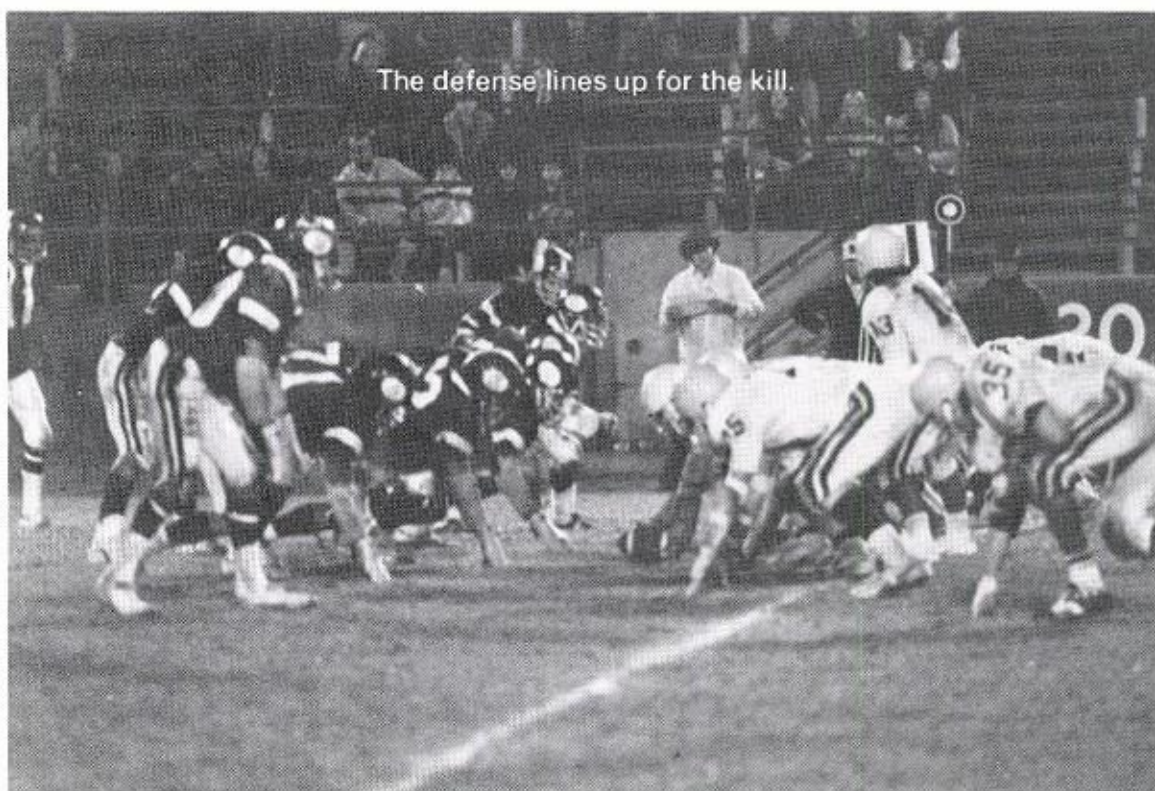

Members of the offensive unit await their chance.

Split end Ron Ritchie turns a short pass reception into a long touchdown run in the Jamboree.

High steppin' Dave Dew finds his way to the end zone.

The defense lines up for the kill.

At right: Tailback Al Romig breaks away for a stunning seventy yard touchdown trek against Salinas High.

J.V.'s Weak In League Football Play

Row 1 (l-r): Coach Russo, M. Pura, V. Andrada, B. Urrey, J. Valdez, F. Guzman, D. Gilbert, D. Comacho, C. Bozzo, T. Tanawan, D. Puno, R. Osuna, M. Villa, F. Jimenez, M. Rojas, W. Inexperience hurt the Alisal High junior-varsity football team. The young Trojans owned a 1-4-2 over-all and 1-3-2 league won-loss-tie record.

The only Trojan win came on a 7-6 decision over San Lorenzo Valley, while drawing with Aptos, 12-12, and North High, 9-9.

Outstanding offensively were Danny Comacho, Mario Rojas, Wayne Knight and Dennis Maduli, while Mike Hernandez, Sam Simpson, Ray Jimenez, and Victor Andrada were cited by their coaches for their abilities.

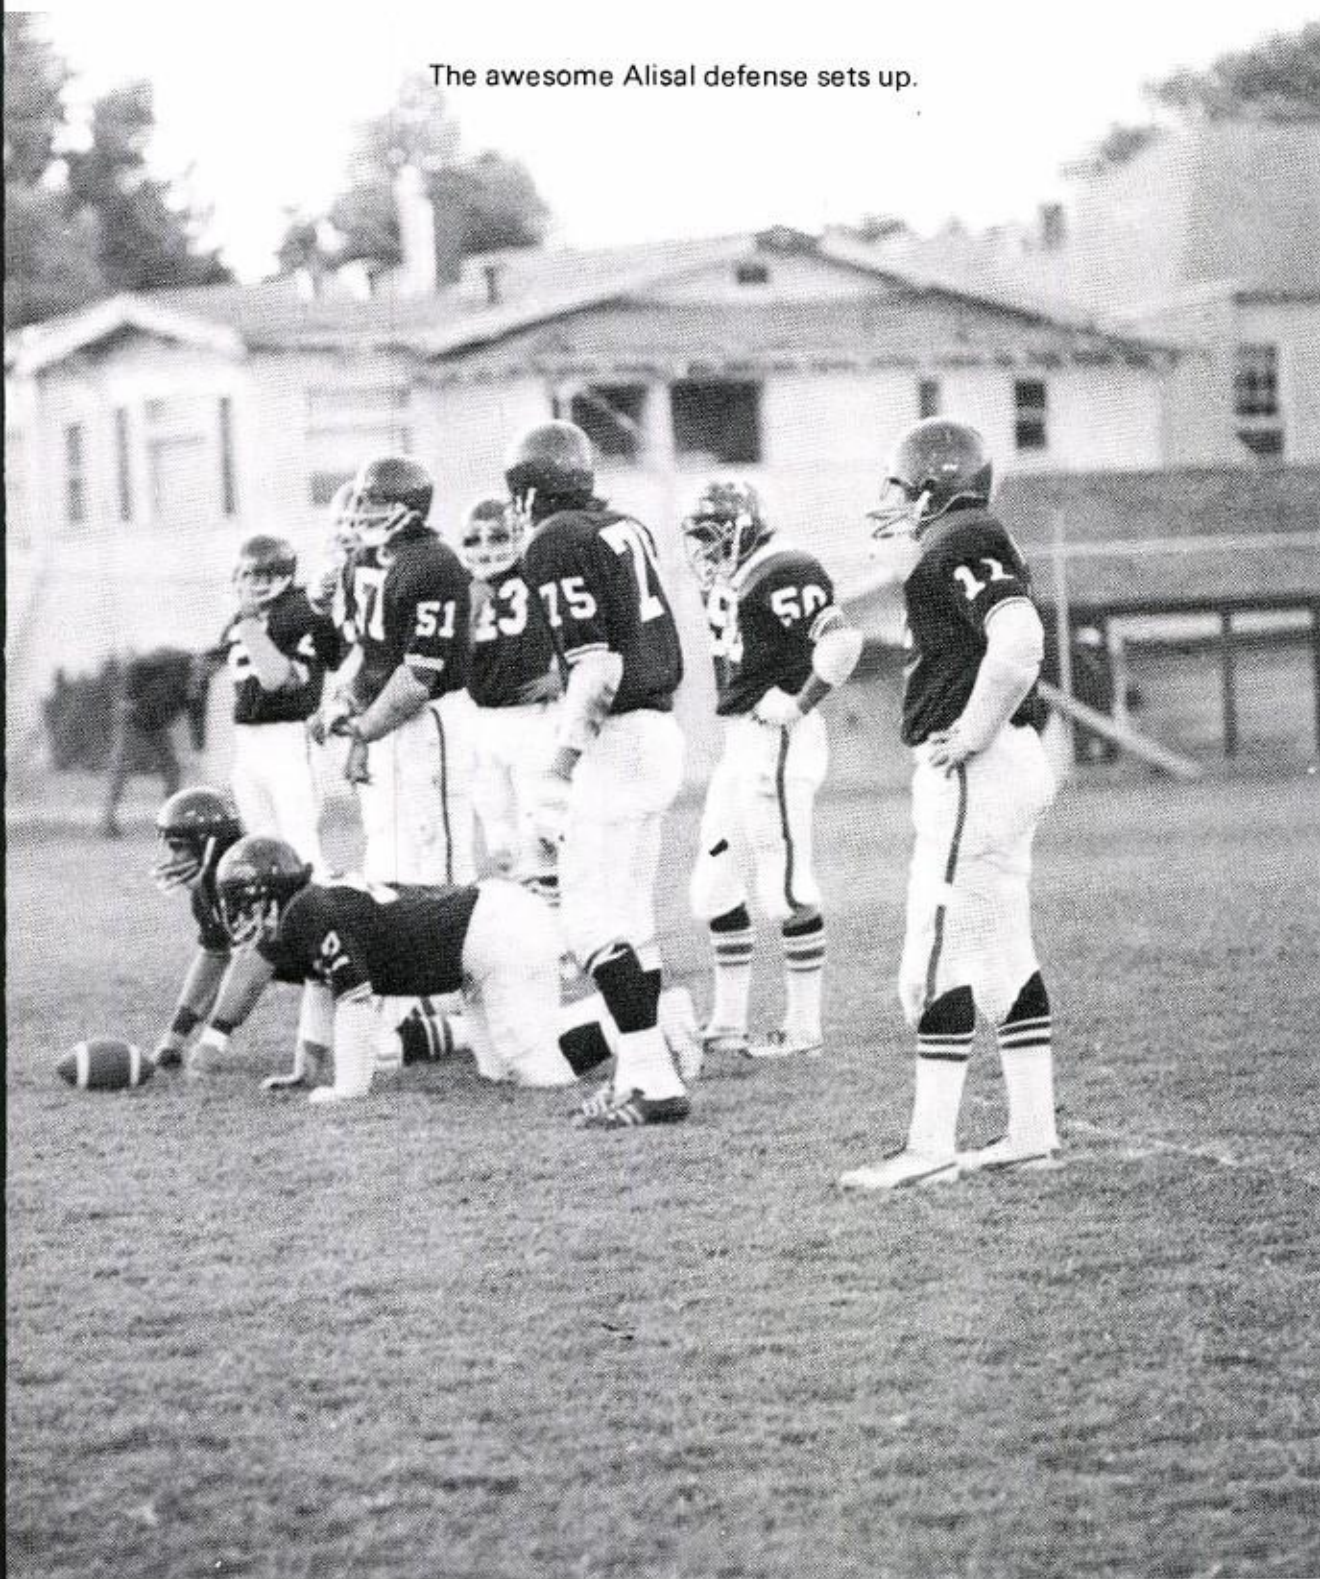

This year's team captains were Danny Comacho, Mike Hernandez, and Wayne Knight.

Coaches Russo and Romero.

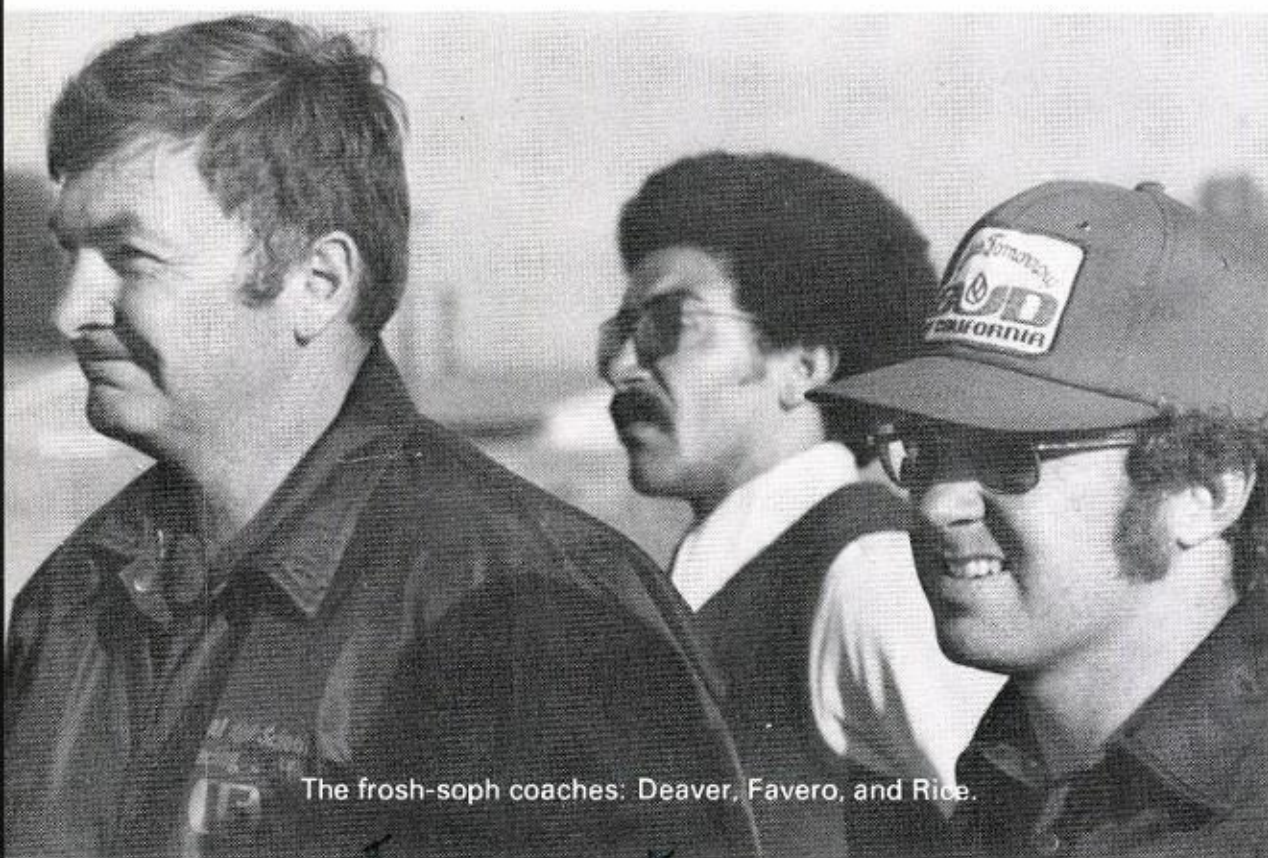

Fullback Mario Rojas bulls his way through for yardage.

this year was not
as bad as last year.
I hope that the
we talked about will
stay with you. I think
they will. I feel later on
I enjoyed it. Hope to see you
next year. John Favero

The Alisal offense gets ready to roll.

Frosh-Soph Completes Trying Season

Coaches confer with the team at halftime.

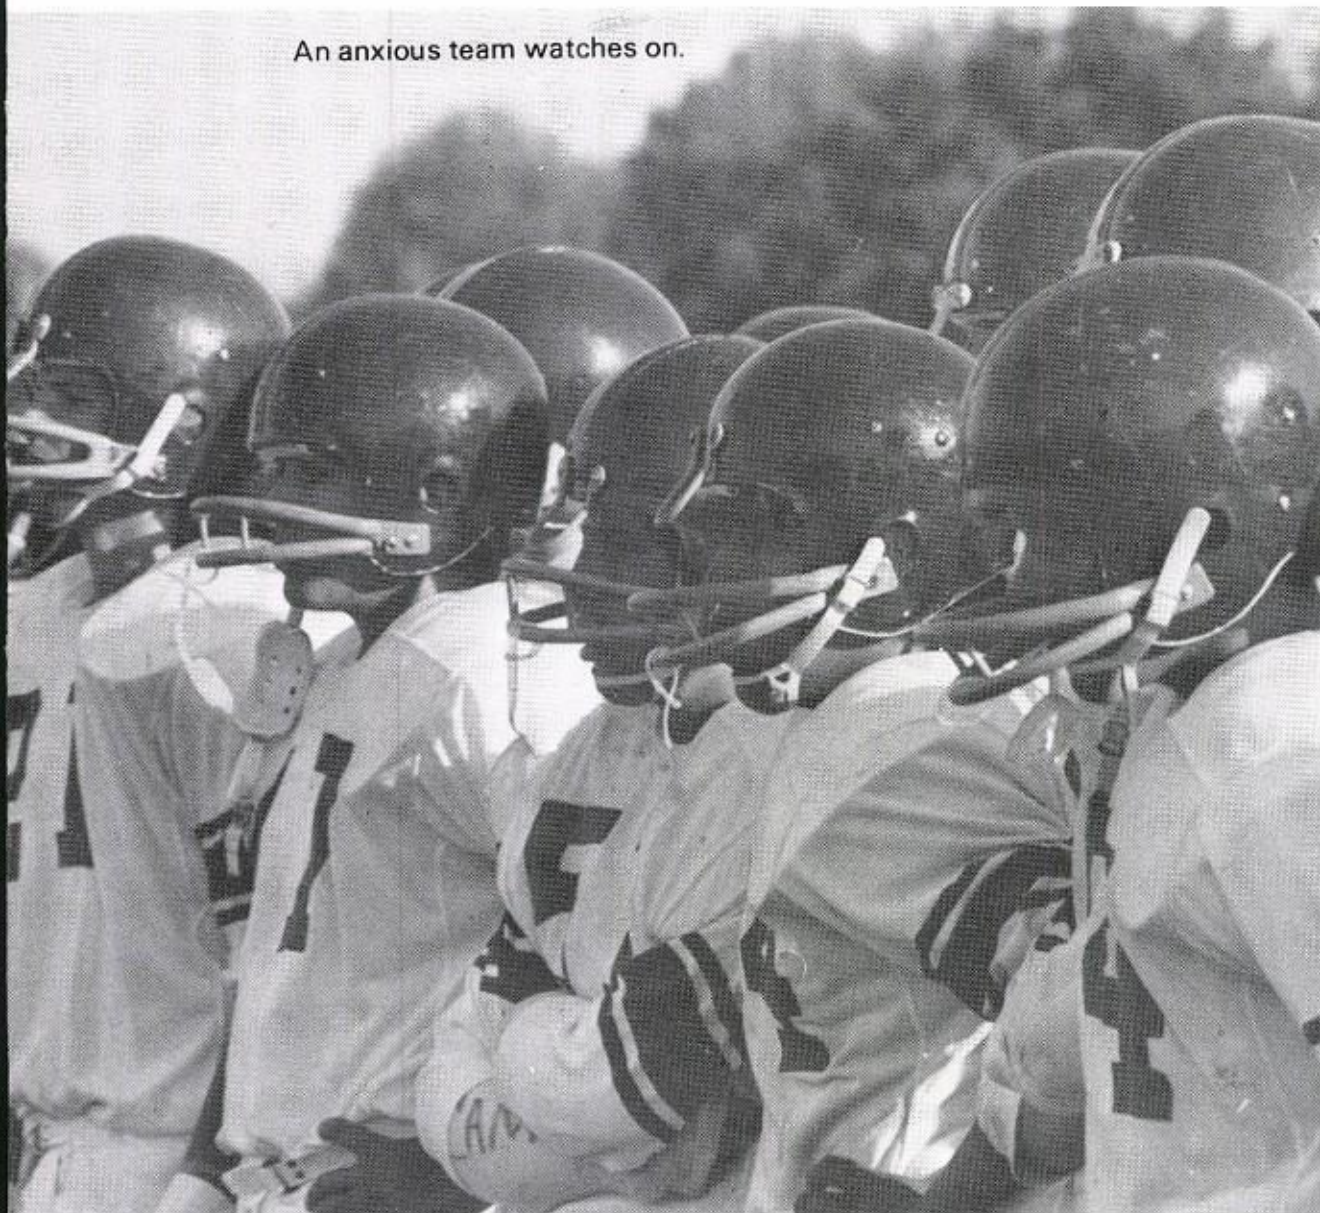

This year, Alisal sported one of its better frosh-soph football teams. The young Trojans compiled a 3-3-1 won-loss league record and finished fifth place in the Monterey Bay League southern division.

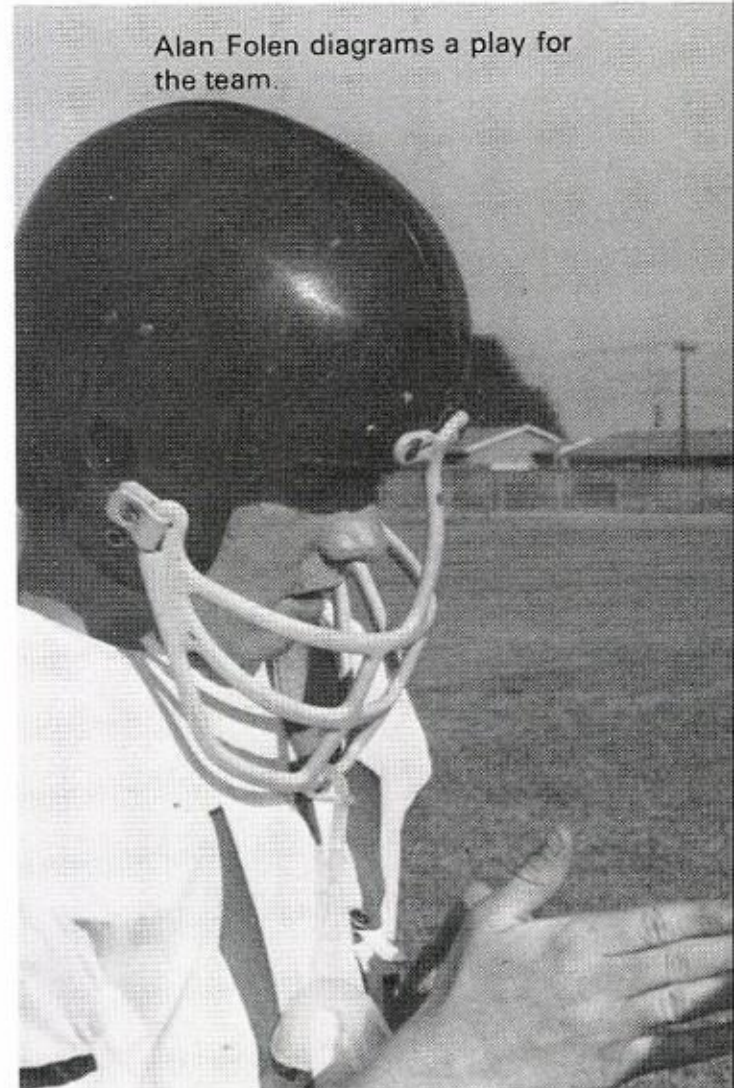

Quarterback Alan Folen earned his coaches praise along with teammates Brad Harbor (end), Tim Johnson (end), Randy Dodd (center), and Robert Cook (flanker). Defensively, Danny Blanco (linebacker), John Dew (tackle), Ray Herrera (corner back), Mike Horton (safety), and Bobby Rodman (safety) were the outstanding individual performers throughout the season.

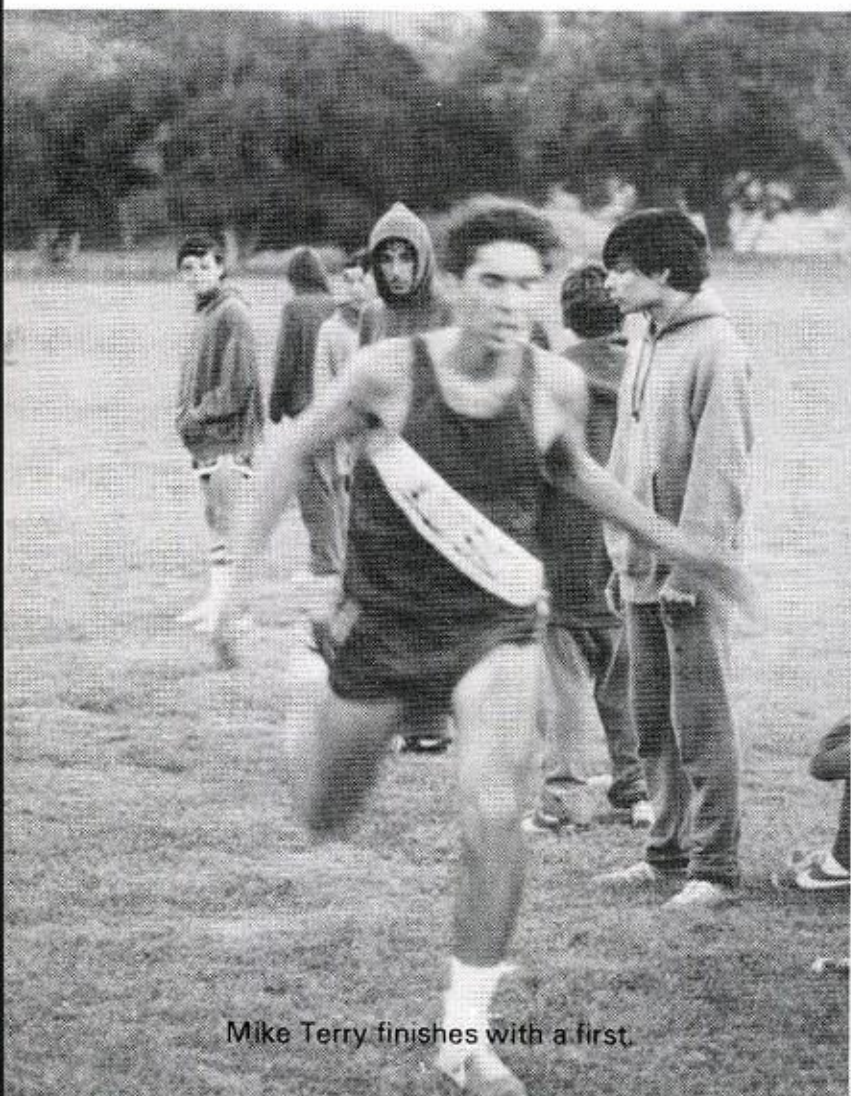

Impressive wins included a 8-0 shutout over cross town rival Salinas High, while the toughest competitors were Monterey and Seaside.

An anxious team watches on.

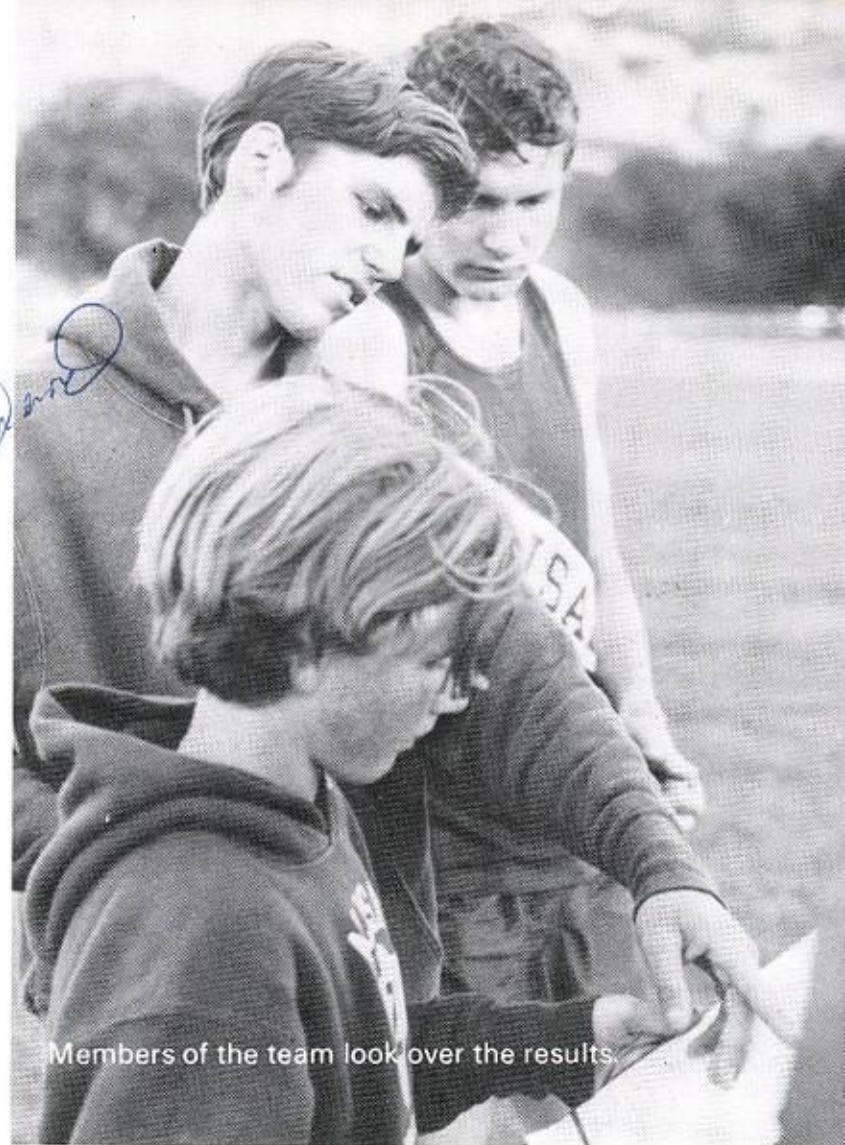

Alan Folen diagrams a play for the team.

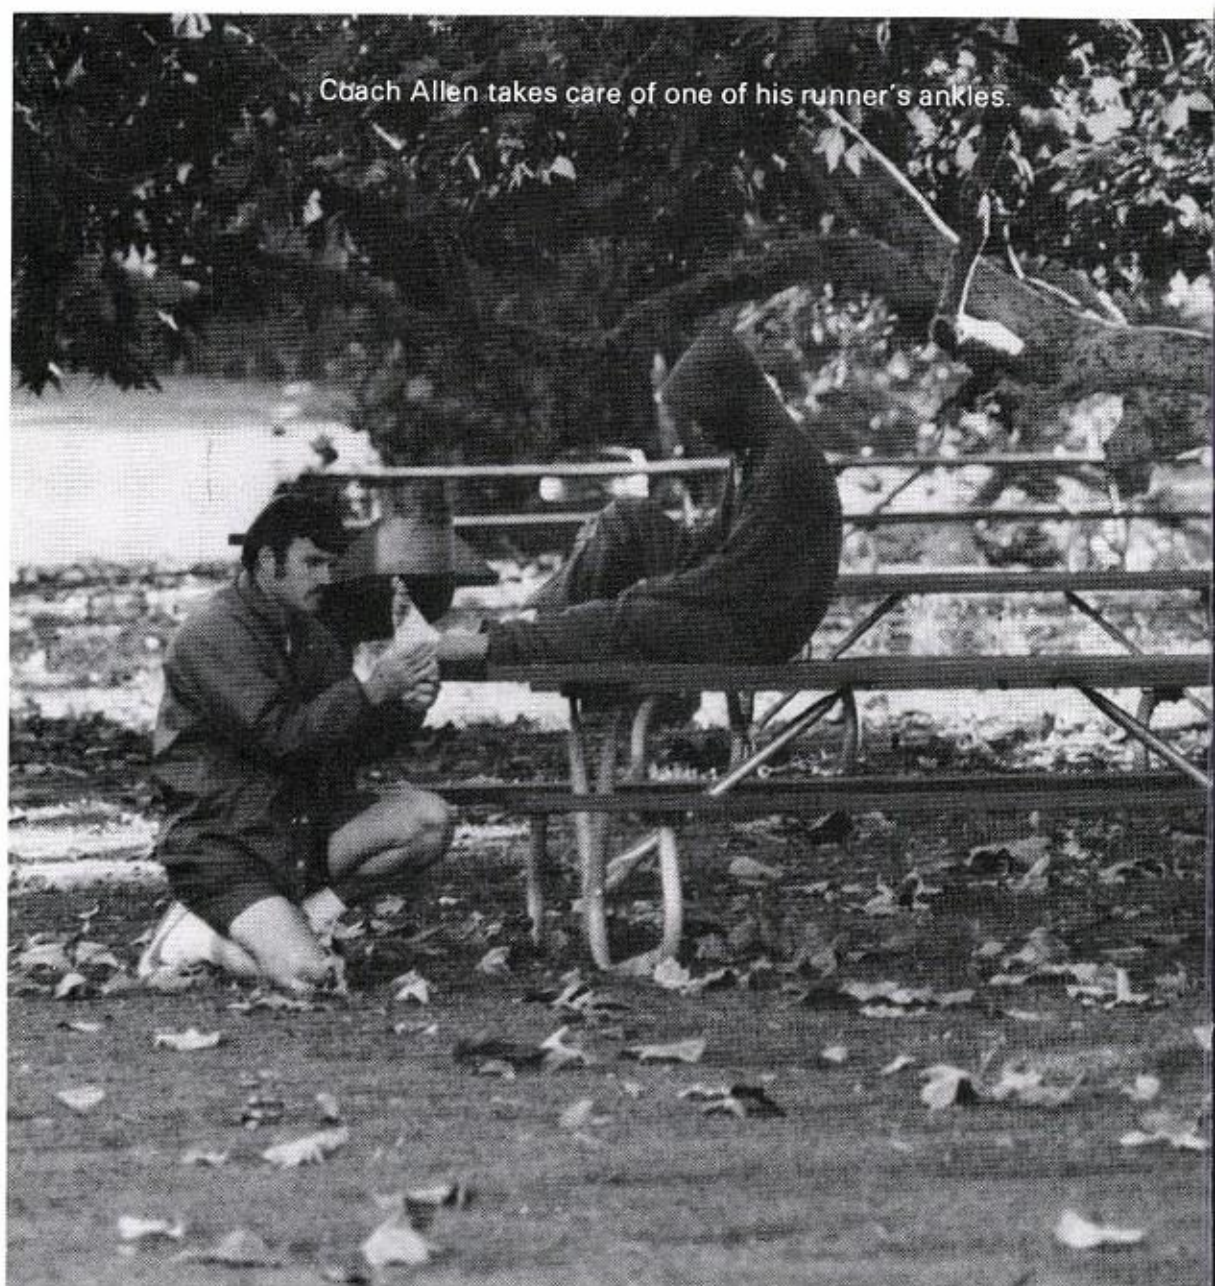

Mike Terry finishes with a first.

R. D. Ward

Members of the team look over the results.

Young Harrier Team Gains Experience

Front (l-r): A. Acaya, G. Rodriguez, J. Villegas, J. Wells, B. Groves, B. Victorine. 2nd row: S. Barraza, E. Castro, M. Motogawa, J. Nelson, R. Amparano. 3rd row: Coach Allen, R. Johnson, J. Lucero, S. Chabbaria, K. Allen, R. Cunningham, R. Terry, P. Turpin, M. Terry.

Rachel Amparano, the first Alisal female to compete in a boy's sport.

This year's Alisal High cross country teams were caught short in the Monterey Bay League competition. The varsity team compiled a 1-4 won-loss league record while the junior varsities wound up with a 2-3 and the frosh-soph with a 2-3 record.

Coach Andy Allen credits the down season on the low turn-out of veteran lettermen. But never the less, Coach Allen was extremely pleased with the progress made by all three of the young and inexperienced teams.

Mike Terry was this year's team captain. Terry, Bruce Victorine, John Nelson, and Ron Johnson were all cited by their coach for their outstanding performances throughout the season.

Bruce Victorine was one of the top runners this year.

D's Share MBL Basketball Title

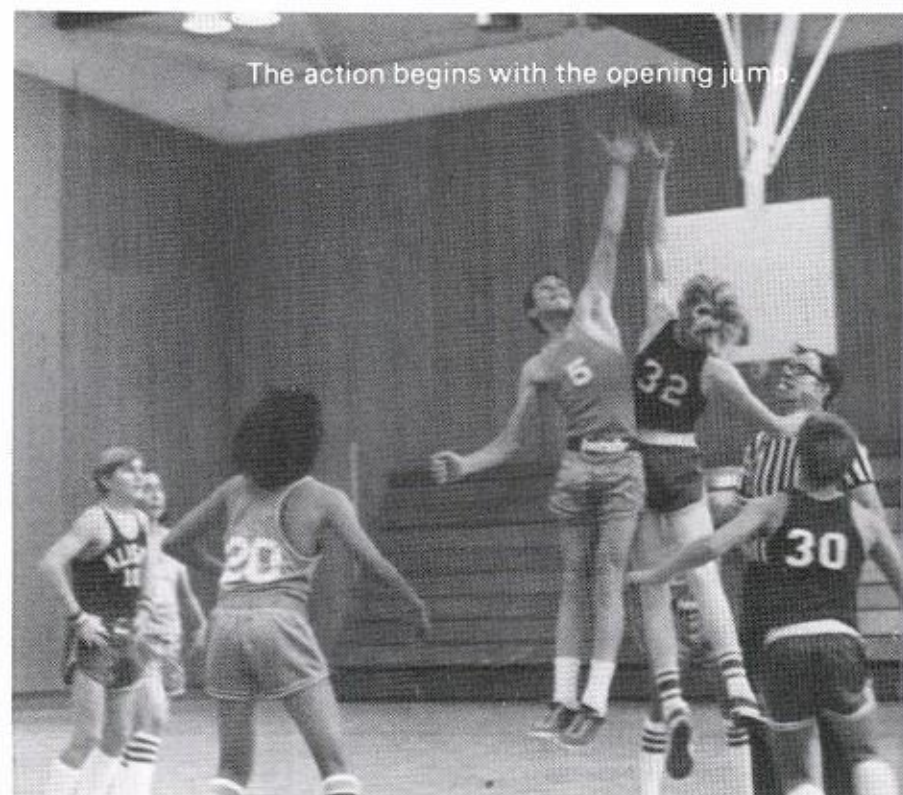

This year's basketball team, coached by Art Gilbert, finished the season with a 4-4 won-loss record, which was good enough for a tie for first place in the MBL. All three teams, with Salinas and North Salinas, shared identical records for a three way tie in the three team league.

Coach Gilbert praised Tony Ceralde for his team leadership as well as his play. Also noted were David Scott and Joe Shoemaker.

C Cagers Provide Tough Competition

The C basketball team finished third in league play, sporting a 2-6 won-loss record. Both of the teams' wins came against North Salinas. Coach Gilbert credited his team for its competitive play, noting that five of their six losses were by five points or less.

Coach Gilbert cited team captain Tony Taylan, Darrin Chinn, and Tony Rimando as the outstanding players this season.

Danny Martinez drives past a defender to score two of his season high 37 points against San Lorenzo Valley.

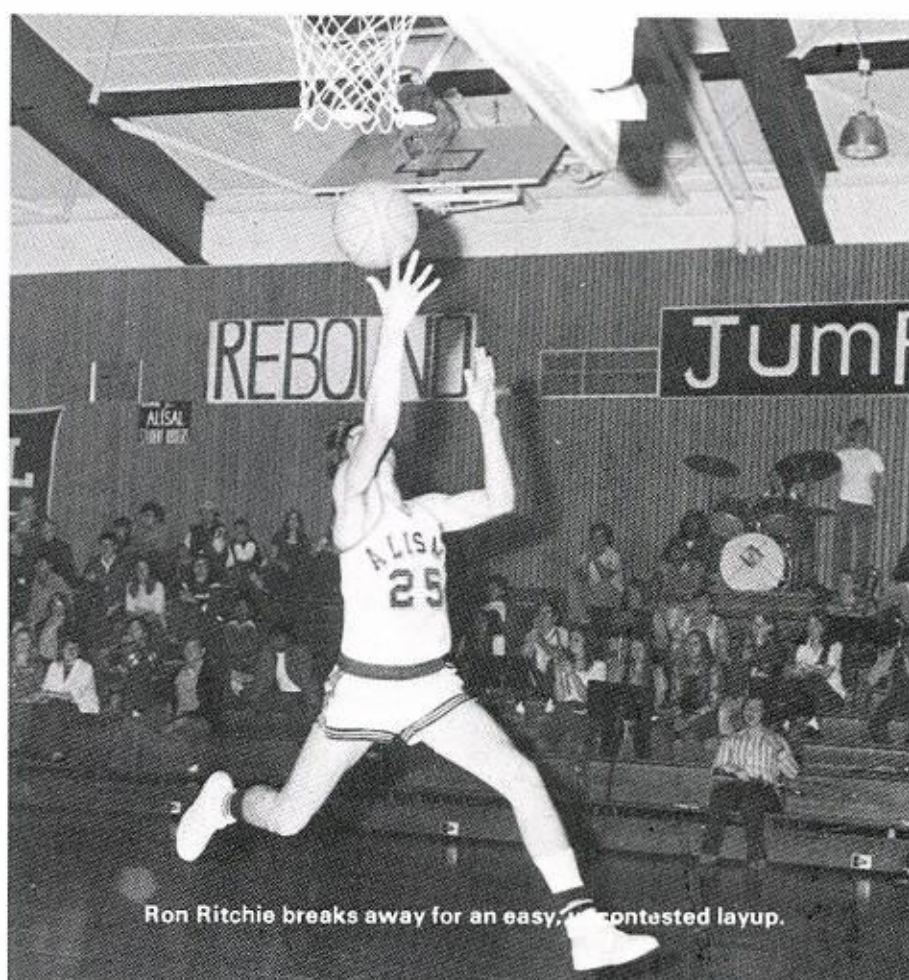

Varsity Cagers Face Frustrations In MBL Play

After four years of dominating the MBL, Coach Corky Haddan's varsity basketball team found itself in an unfamiliar spot when it finished in the cellar of the league's Southern Division. The 1973-74 cagers completed the season with a respectable 12-12 overall record, but a less satisfying 5-9 league record.

The varsity cagers tipped off their season with a third consecutive Alisal Tournament championship. Ron Ritchie was named as the MVP, while Danny Martinez and Duane Anderson were chosen to the All-Tourney team. They also captured the consolation trophy at the Paul Walters Tournament.

League play opened next, and the Trojans finished the first series of games against Northern teams with a record of 4 wins and 2 losses. As games in the Southern Division got underway, it seemed as though the Trojan luck went sour. The squad dropped their next seven games by an average of two points each. Alisal closed their season in a spirited way by defeating Monterey.

Danny Martinez was the outstanding team player and also the league's leading scorer with a 20.6 point average, including a 37 point outburst against San Lorenzo. Ron Ritchie and Duane Anderson were the defensive standouts and also helped considerably with the scoring. Two bright spots of the team were sophomores Steve Robertson and Jerry Odom, whose skillful play promises to give Alisal basketball an exciting future.

JV Basketball Team Experiences Trying Season

Alex Ceralde leaves a trail of players behind as he races towards the basket.

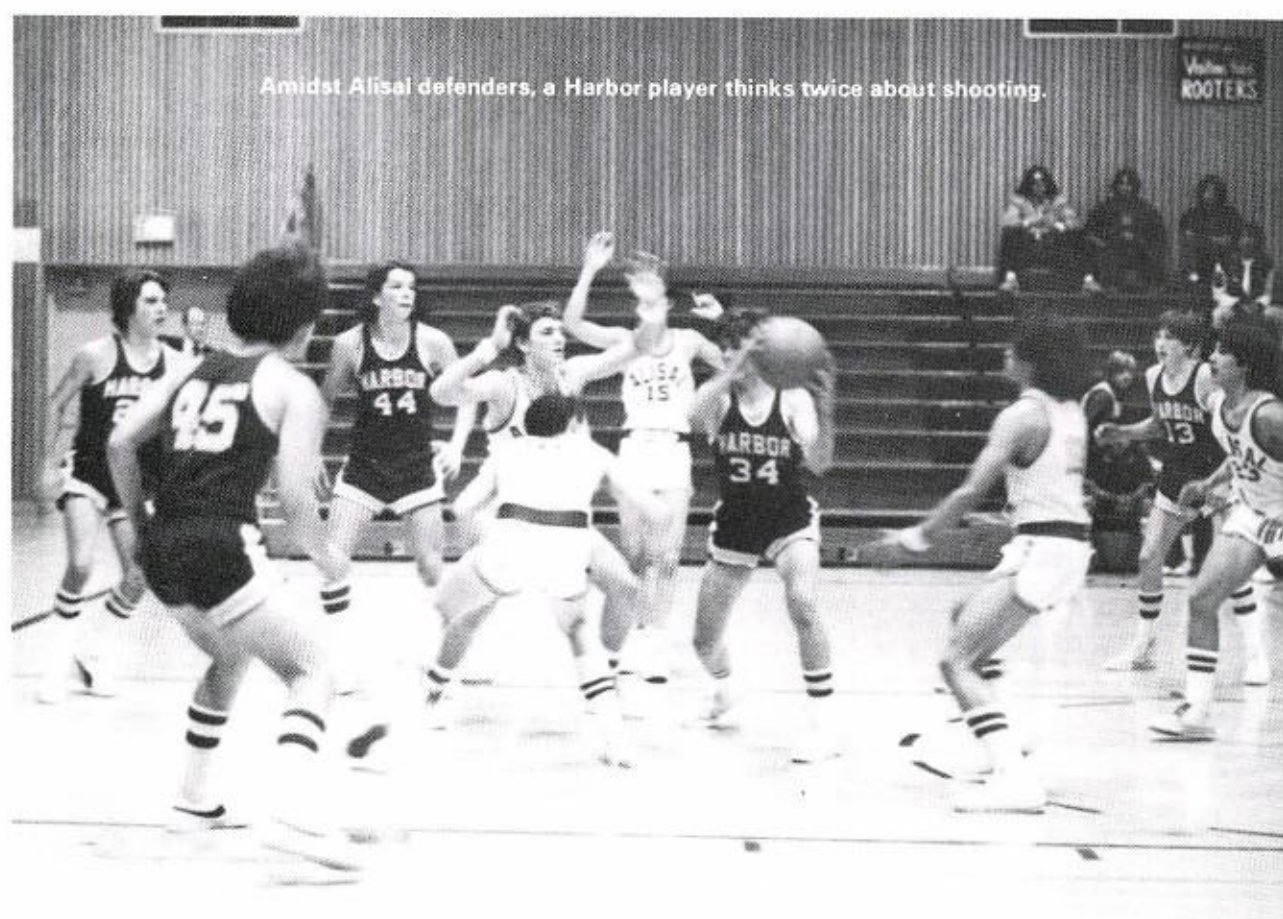

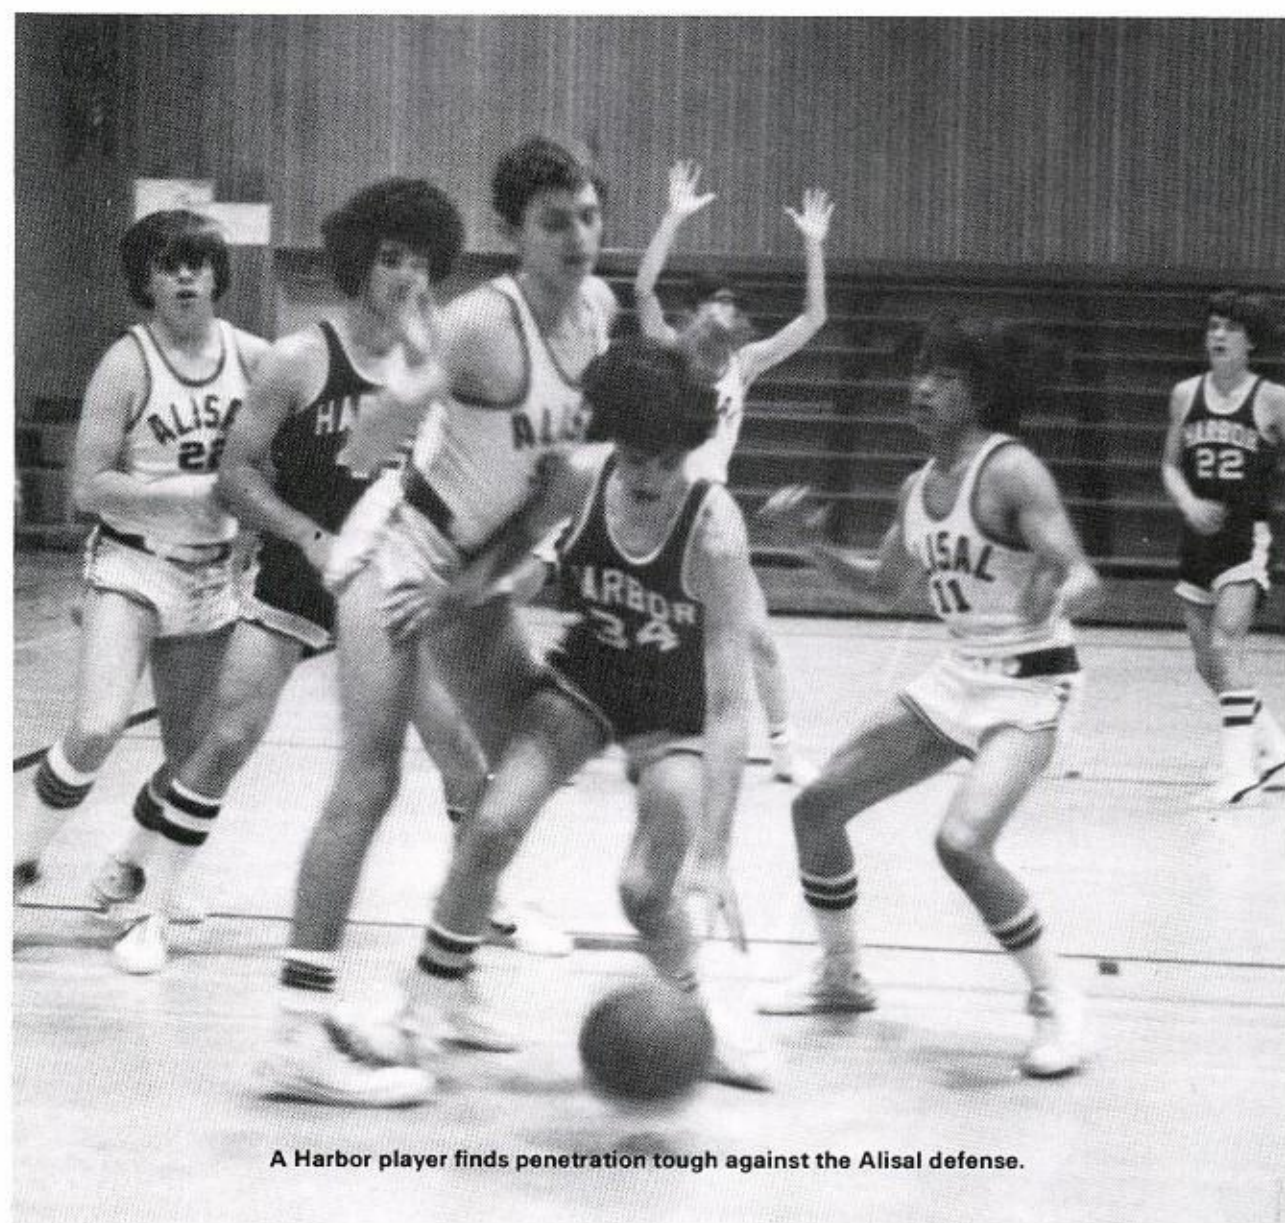

Coach Art Gilbert's junior varsity basketball squad, like their varsity counterparts, seemed a little short on luck this year, but still finished with a satisfying 11-11 won-loss record, 7-7 in league play, dropping to the last spot in the MBL-South Division standings.

The J.V.'s opened their season in the Alisal Invitational Tournament, playing three games against varsity teams and defeating one of them, Robert Louis Stevenson. Then, they raged on to capture the consolation trophy at the Monta Vista JV Tourney. When league play opened, the junior varsity title hopes were high as the squad ran off a string of four wins. But those hopes were all but vanquished as the team went on a dismal five game losing streak. The J.V.'s went back on the winning track by defeating Monterey, Seaside, and Salinas. They dropped their last two games to even their league record at seven wins and seven losses.

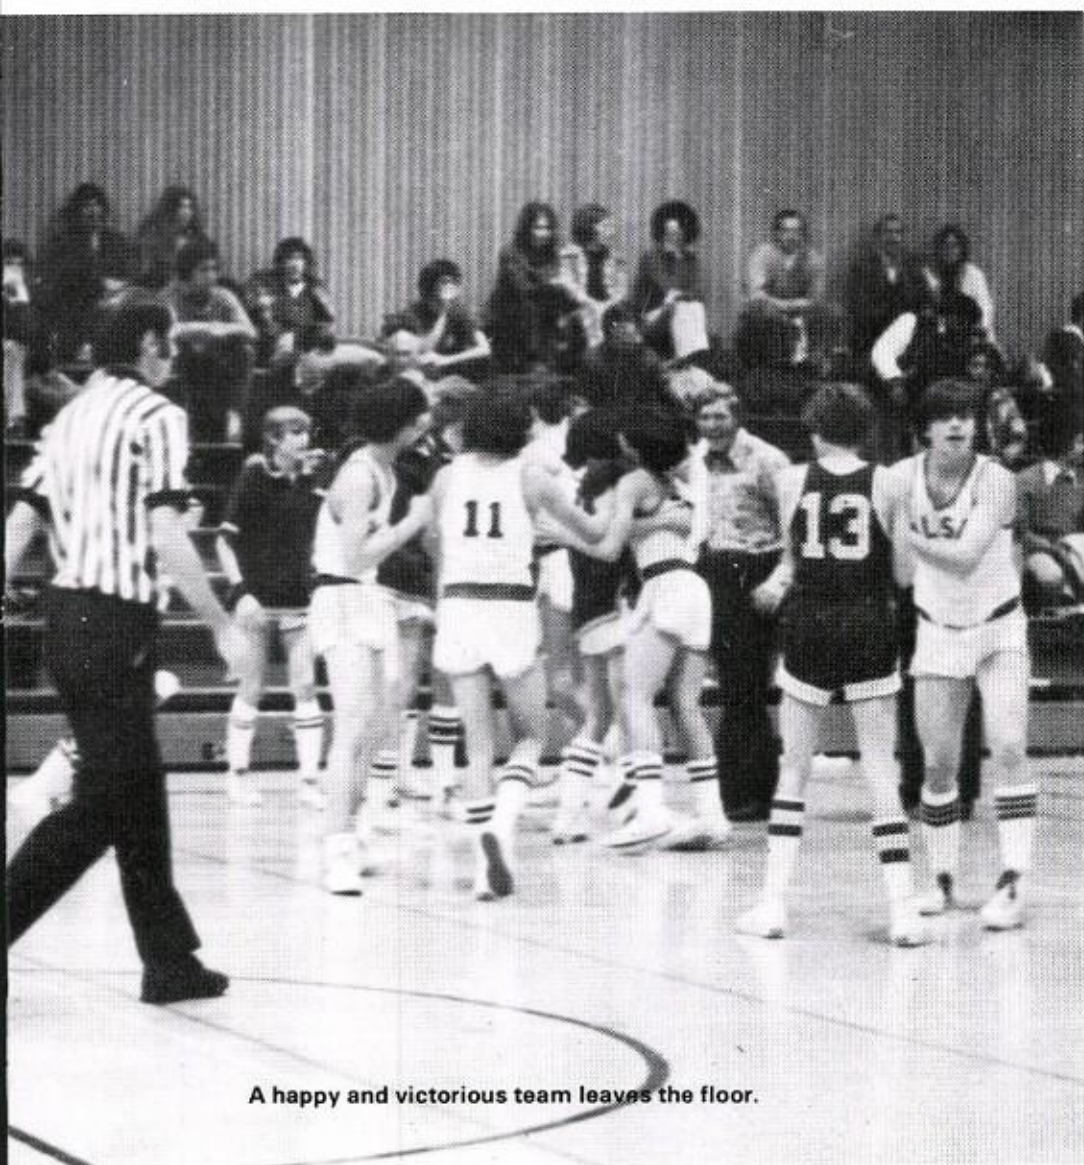

Coach Gilbert credited Ed Richards and Gary Rowe as the scoring leaders of the team with respective 13.1 and 9.6 point averages. Other standouts were Gary Dennis, Lee Wilson, Gus Gutierrez, and Craig Andrus.

Frosh-Soph Hoopsters Finish Third In League

A happy and victorious team leaves the floor.

Alisal's frosh-soph basketball team, under the able guidance of first year coach Alan Gardner, had both high and low points this season, and finished with a 10-11 overall won-loss record. Their 7-7 record in league play was good enough to enable them to place third in the MBL-South.

The young cagers started their season by capturing the second place trophy in the Salinas Key Club Tournament, losing only to the host Salinas High team in the finals. The frosh-soph didn't fare too well in the rest of their pre-season, losing three of the next four meetings.

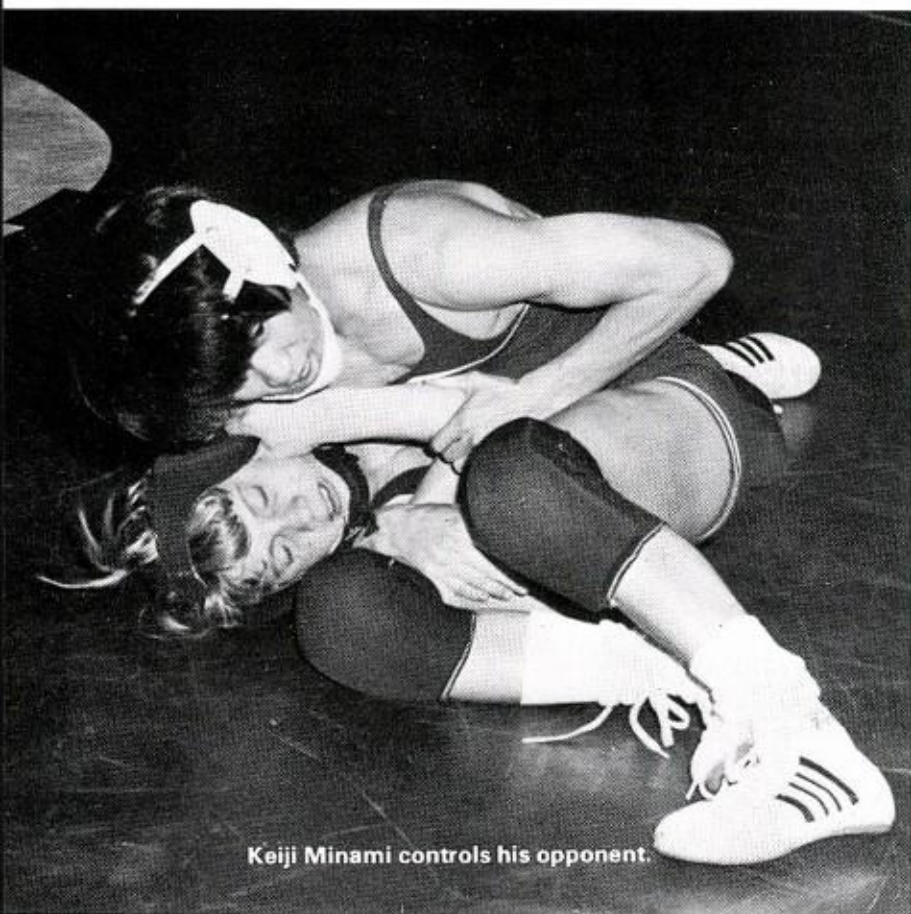

The frosh-soph team went through seven league games without a loss, but lost to Salinas in the eighth. Starting with that loss, the Trojers did not win again until, after six straight defeats, they smashed North High. The young squad dropped its last game to Monterey in overtime.

This year's frosh-soph team boasted a duo of talented guards in floor-leader David Puno and Tony Rimando. The rebounding was ably handled by Ron Johnson and Harry Qualls, while Cary Brewer and Darrin Chinn switched off to fill the remaining starting spot. Little Tony Ceralde was credited as an outstanding substitute by Coach Gardner.

Varsity Grapplers Display Strength In Tournament

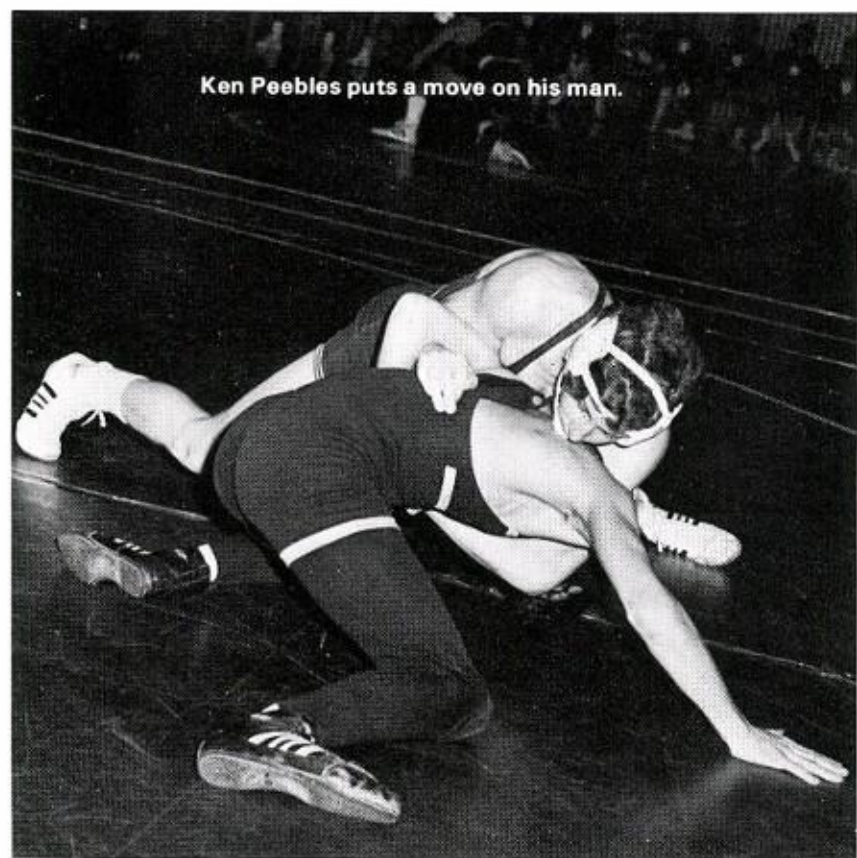

Keiji Minami controls his opponent.

The 1973-74 varsity wrestling team, coached by mentor Terry Espinosa, had its ups and downs in dual meet competition, but more than made up for it in tournaments and post-league competition. The varsity squad split its dual meet season with a 5-5 league record, 6-5-1- overall.

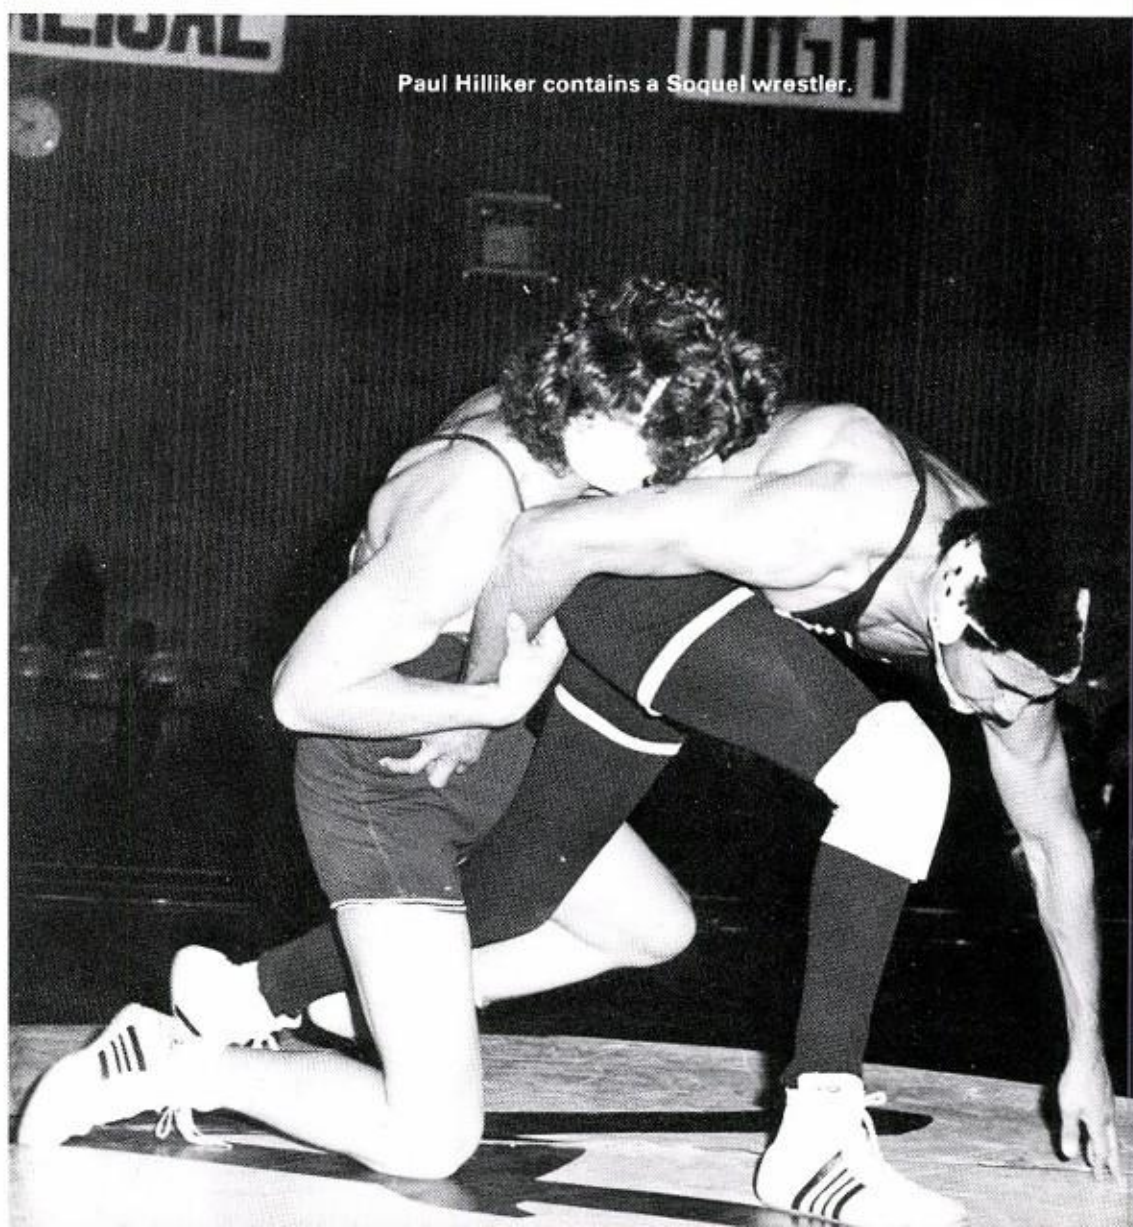

The Trojan grapplers opened their season by thrashing a visiting Gilroy team, but in the next dual meet, they needed a pin by heavyweight David Ceja in the final match to come from behind to tie Mission Trail League powerhouse Gonzales. In league competition, the Trojans gained their five victories by triumphing over Soquel, Aptos, San Lorenzo Valley, Santa Cruz, and Harbor. In their sixth league meet, they lost to a tough Seaside squad. Following that, the Alisal grapplers proceeded to lose their four remaining dual meets by miniscule margins, to finish fifth in the final league standings.

In tournament competition, Alisal performed extremely well. First, the team entered the Del Mar Invitational. The outstanding team performer turned out to be Soupy Marquez, who came away from the tournament with a first place medal in the 145 pound division. Also placing high was a suprising Mark Domingo (138) as he won second place honors, and he was joined by third place finishers Javier Alvarez (112), Roger Diaz (133), and David Ceja (hwt). Next, Alisal emerged victorious in its own Alisal Invitational Tourney. Outstanding performances were turned in by Ceja and Alvarez, who took firsts in their respective divisions. They were followed by second place finisher Roger Diaz, and third placers Marquez and Art Ocampo (95).

The MBL Tourney was next, and Ceja, Alvarez, and Marquez came away as league champions in the weight classes, with Diaz and Mark Yamaguchi (97) garnered second place honors. Alisal hosted the Region IV Tournament, and all five qualifiers from the league meet wrestled well. Ceja and Diaz copped championships in their weight divisions, and were joined by Yamaguchi, Alvarez, and Marquez, in advancing to the C.C.S. Meet in San Jose. Although the wrestlers met a lot of extremely tough competition, Soupy Marquez placed third while big Dave Ceja waded through his competition to capture first place, and thus becoming the first CCS wrestling champ in Alisal's history. Both grapplers went on to the State Meet in Hayward.

Coaches Ralph Rice and Bill Sarkisian's junior varsity wrestling team fought valiantly through a tough season to finish with a 9-3 won-loss record, 8-2 in league meets, which enabled them to earn a third place finish in the Monterey Bay League.

Alisal opened its season with an easy win over Hollister, but unfortunately, suffered a loss at the hands of Gonzales. Then, in league dual meets, the J.V.'s ran off a string of seven meet victories, including overwhelming wins over Santa Cruz and Soquel. However, they lost the next two to Salinas and North High. They ended the season on the winning track by defeating Monterey.

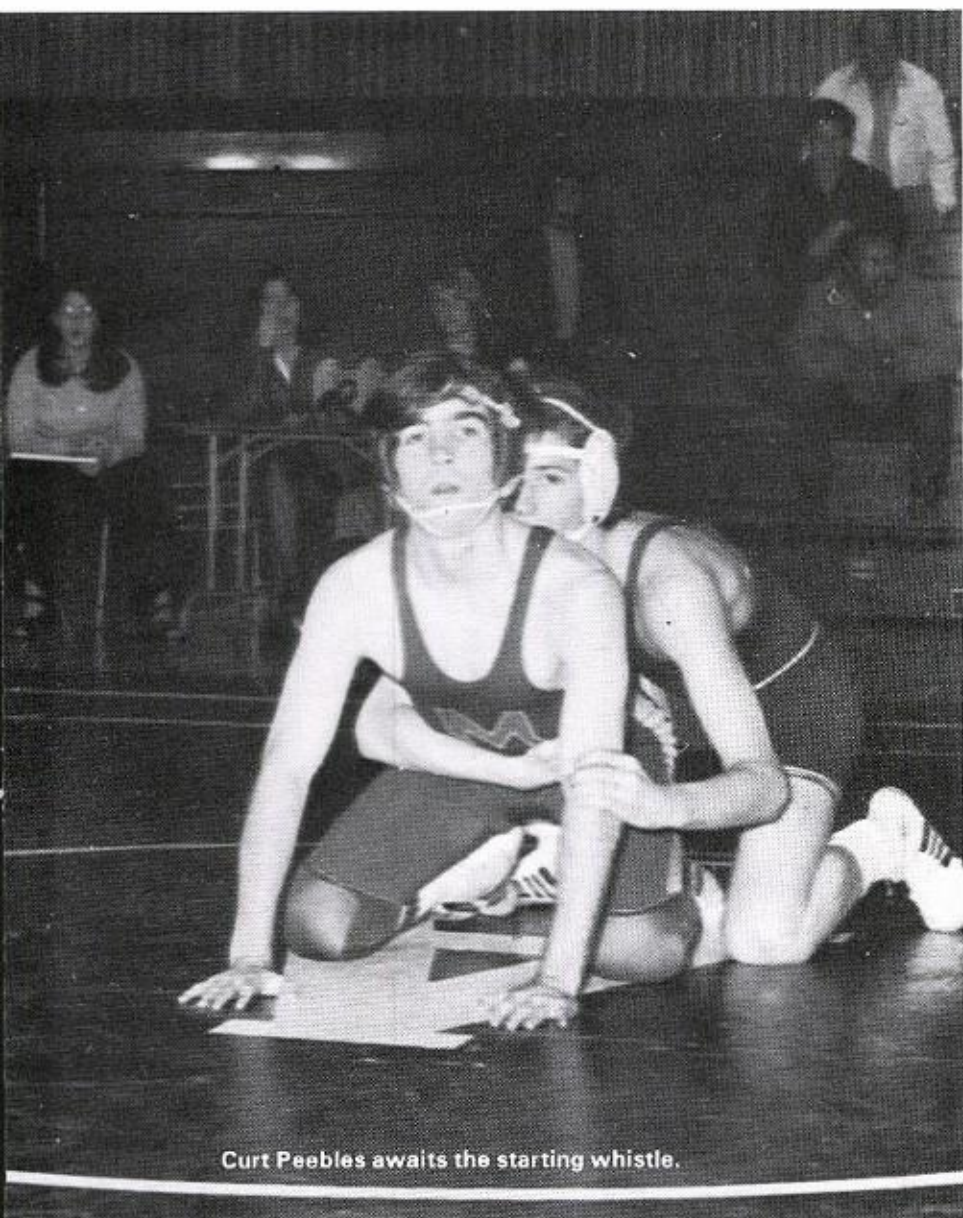

Outstanding grapplers throughout the season were Wayne Turner, Mike Cerna, Curt Peebles, Dave Carillo, and Fernando Sanchez.

Varsity Baseball Team Dominates League

Experience among players, along with an immense amount of talent were the big advantages which enabled coach Chuck Filice's varsity baseball team to manhandle their opponents and reign as a top team in the league.

Losing only three players from last year's MBL playoff qualifying squad, the varsity team was paced by senior infielders Dwane Rowe and Danny Ross, with able help from Al Perez and Floyd Nelson, and outfielders Gilbert Ruiz, Alan Douglas, and Danny Madewell. Also returning was sophomore catcher Lee Wilson, who gained even more experience for next season. No baseball team can dominate opponents without a strong pitching staff, and Alisal was no exception. The pitching evolved around three skillful players, Gary Rowe, Willie Pura, and Ernie Comacho, with Danny Comacho and Gene Sigala provided relief to round out what may be the best baseball team in Alisal's history.

JV Baseball Team Defends MBL Title

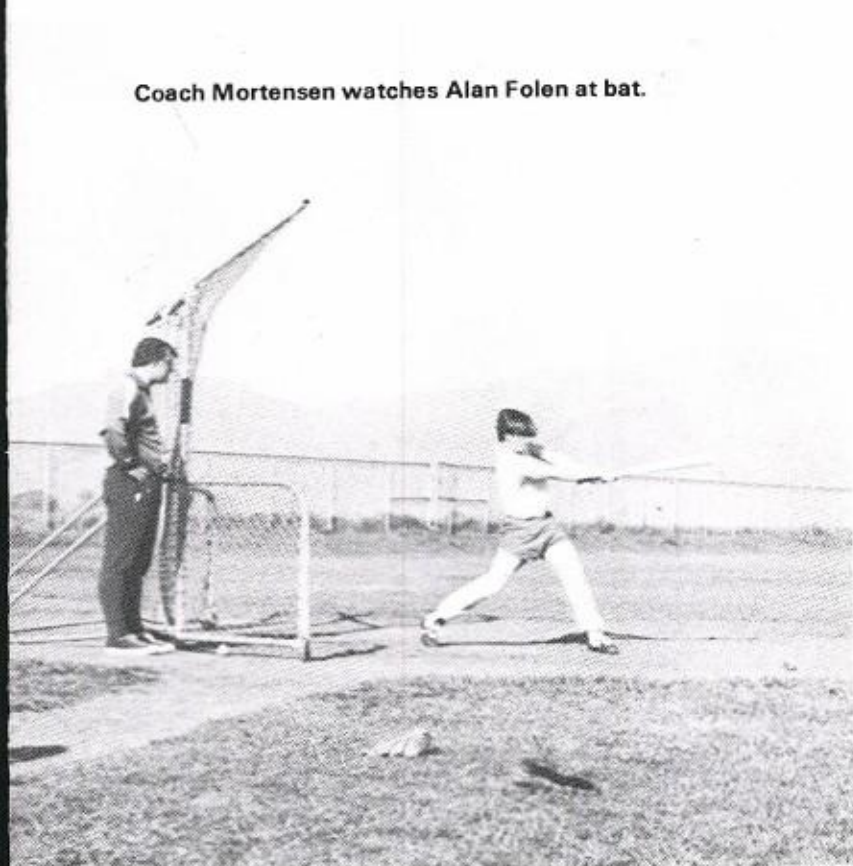

Under head coach Gary Mortensen, a strong junior varsity team underwent a season proudly representing Alisal, winning most of their games. Many returning players from last year's league championship team gave this year's squad depth and experience. Standouts for the team were pitchers Mike Hernandez, infielder Dennis Gilbert and outfielders Paul Bellone and Jimmy Jimenez.

Varsity Cindermen Finish High In MBL

While not as strong as last year's MBL powerhouse, Alisal's varsity track team was excellent in its performances. The varsity lost a heavy load of talented athletes to graduation last year, but still had capable performers to set the pace for the season.

Outstanding cindermen were Carlos Jacobo in the discus, speedster Mark Domingo, high jumper Jim Romig, and shotputter Bob Hopper. Leading the way in the hurdling events was David Dew, who also doubled as a sprinter in the 100 yard dash, and also Alex Ceralde and Joe Dew. The top distance men were Jim Lucero, Artie Garcia, and Mike Terry. The team was advised by coaches Favero, Allen, and Curran.

The frosh-soph cindersmen were led by speedsters Tracy Tanawan, Elias Rivera, and Tony Rimando. Also pacing the squad were weightman Harry Qualls and distanceman Bruce Victorine and Mel Motogawa. Young Tennis Team Gains Experience

Alisal's 1974 tennis team lost its leading players last year to graduation but still emerged to win many of its matches. Credited by Coach Deaver as the team's leader was Jim Sasules, who was a standout all season for the young team. Other than Oscar Flores, there were no other returnees from last year's team, so the outcome of the team was placed in the hands of the team's newcomers, who performed well for first year players.

Soccer Team Overpowers Opposition

In its second year of existence, the Alisal soccer team, led by coaches Romero and Moreno, was one of the toughest in the league. Paced by senior Jose Solis, the squad scored wins over Gonzales, Hollister, and rival North Salinas, but lost a controversial 3-2 decision to Salinas High. Following that loss, the team dropped another heartbreaker to league-leading Watsonville. However they bounced back to defeat Aptos and went on to finish high in the league standings.

In addition to Solis, outstanding players throughout the season were Pablo Correa and Roberto Ruiz.

Alisal Tankers Have Tough Season

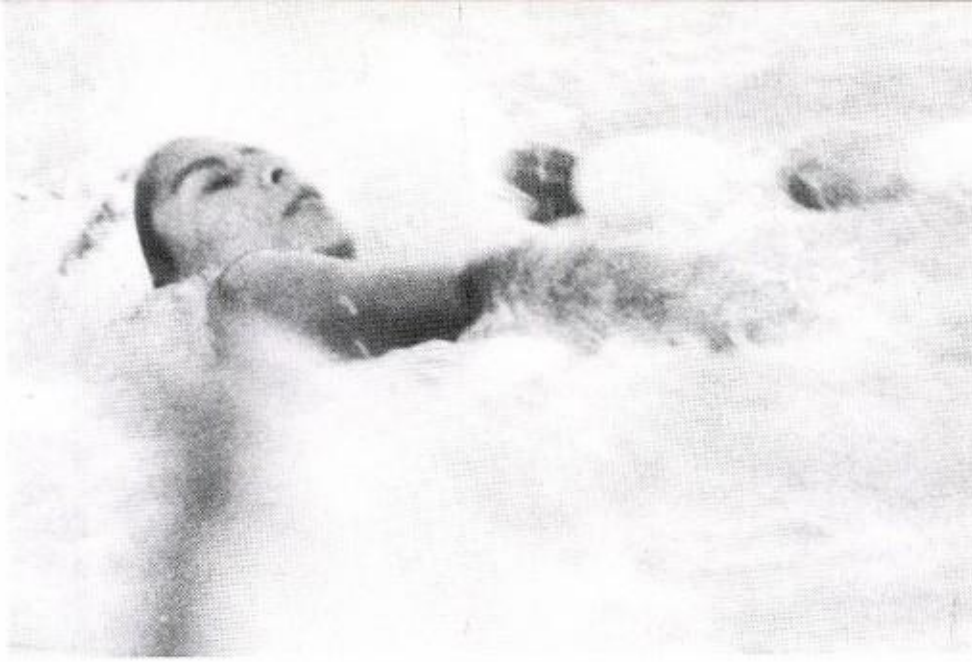

Under the guidance of Coach Albert, this year's swimming team fared well against the opposing teams of the league. The team consisted mainly of newcomers and Freshmen, but it did have a few experienced swimmers in Richard Brannon, Steve Locke, and talented sophomore Richard Briggs. Alisal's AFS student, Jean-Luc Bodson, was also a member of the team and proved to be a very tough competitor.

The swimmers look over their statistics.

Girls' Sports Go MBL!

Up to this time girls participating in after school sports were only able to compete with other schools for recreation.

Finally, after an overdue amount of time, the girls' sports' program became interscholastic and included the Monterey Bay League. This meant there were work-outs four days a week, instead of two. Also, league rules and competition would be set up for the schools participating. At the end of each season for the respective sport, there was a playoff with the top ranking teams representing their schools in competition for the MBL title.

This caused many changes that resulted for the best. For the young ladies, it meant more and better competition and, also, a chance to be recognized for their skills and efforts. For the coaches, it meant more organization in their teams' games.

The Monterey Bay League has benefited the Alisal girls' sports program and has greatly aided the promotion of girls' sports.

Girls' Swim Team Gains Experience

Although the girls' swim team did not win many of their meets, they had a competitive spirit. Their coach, Mrs. Barton, worked diligently with them, while expressing the need for good form. Through the help of the weight machine, made by Mr. Escobar, the girls were able to develop needed strength. Their managers, Pam Salinas and Linda Smith, helped the team very much by recording times and taking charge of all the equipment.

Girls' Gymnastics Team

Being on a gymnastics team takes a lot of patience, graceful moves, and co-ordination of the body. That is why this year's lady gymnasts performed so well in each of their own events.

Summing up the girls' great year was their coach, Miss Little. She stated, "This year the gymnastics team really put a lot of effort into themselves, and they were definitely Alisal's finest in all respects."

Cited by Miss Little was Florence Ellevan, a three year member of the team, as well as the rest of the team, which was outstanding.

Girls' Tennis Team Has A Good Season

This year the girls' tennis team had a good season in the MBL League play. Because there was a league, the girls had more competition with details about their meets settled ahead of time.

Something new that helped very much was the ball boy machine. It made reactions quicker.

The coaches, Mrs. Camany and Mrs. Mortensen, felt that the team, as a whole, had real depth in their playing ability.

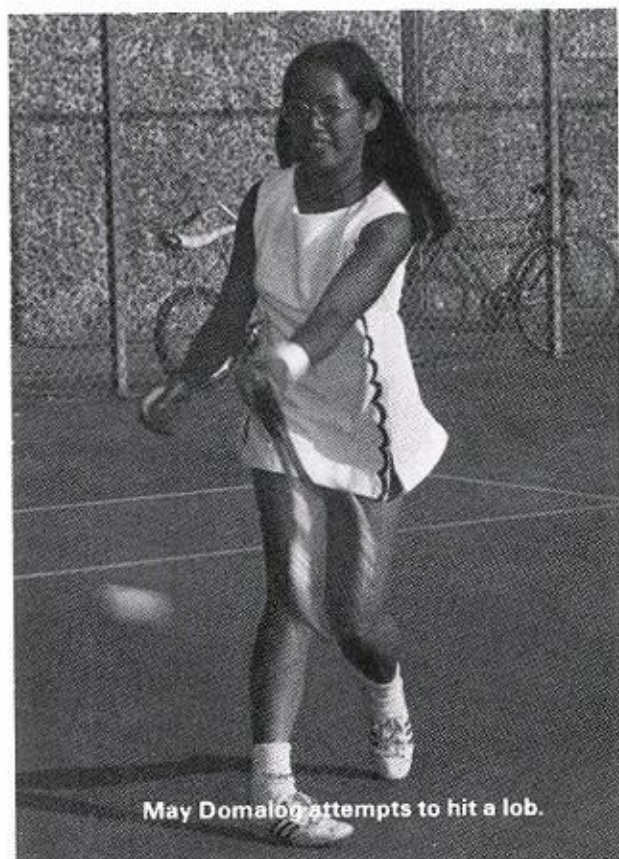

As for next year, Mrs. Camany hopes for a year as good as this has been.

Trojanette Hoopsters End Trying Season

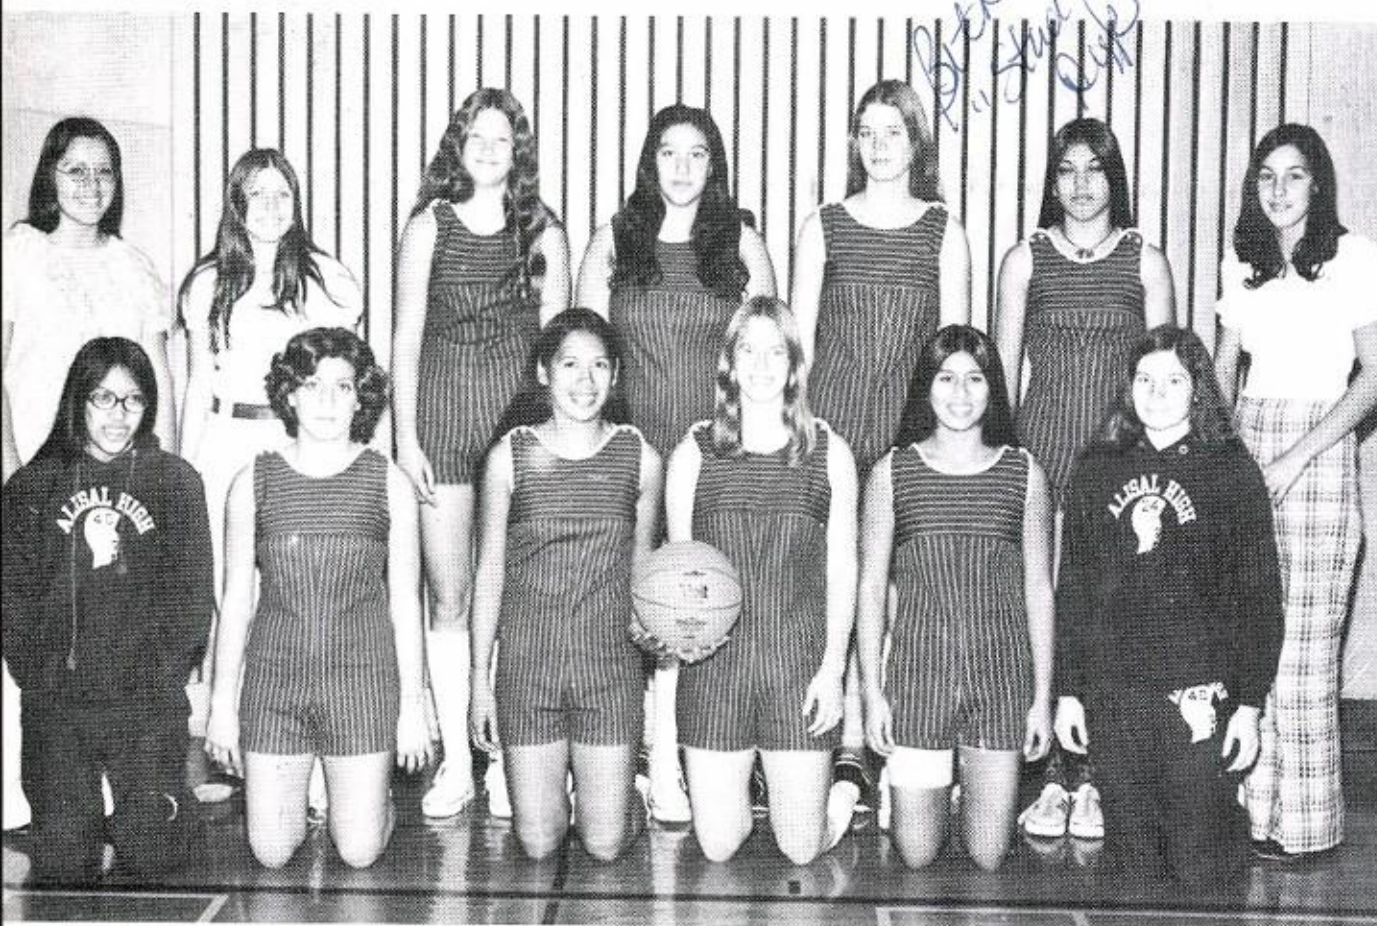

Although it takes a lot of hard work, effort, and practice to make a good basketball team, this year's Girls' Basketball Team had all the main ingredients. They had a few disappointments, but their mistakes produced profits for next year's squad.

Mrs. Frees cited May Domaloag as the team's top scorer and Debbie Geissler as the top rebounder.

When commenting on the team Mrs. Frees stated, "We had a tough season this year, but at the same time we had a lot of fun."

Assistant Secretary and Treasurer: Roseanne Ryburn and Vicki Teague

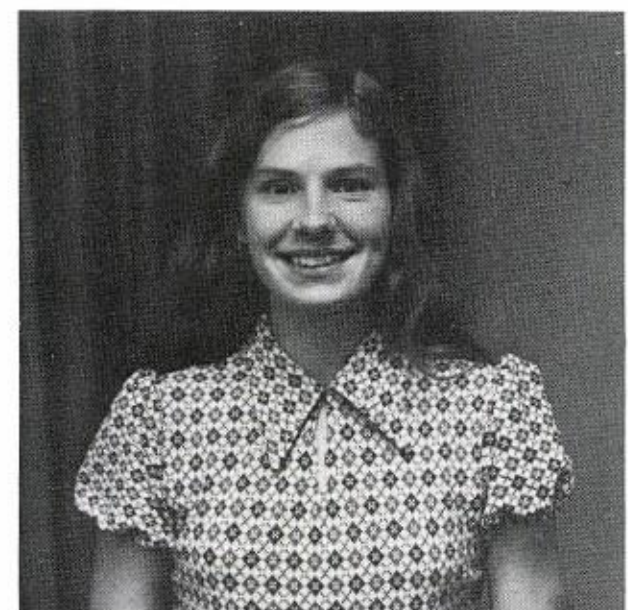

The purpose of the associated student body officers was to establish and maintain the high ideals and standards of Alisal High School.

The students were given a first hand experience at running a government, and they also attempted to strive for maximum efficiency in dealing with democracy in action. The organization promoted students awareness and leadership.

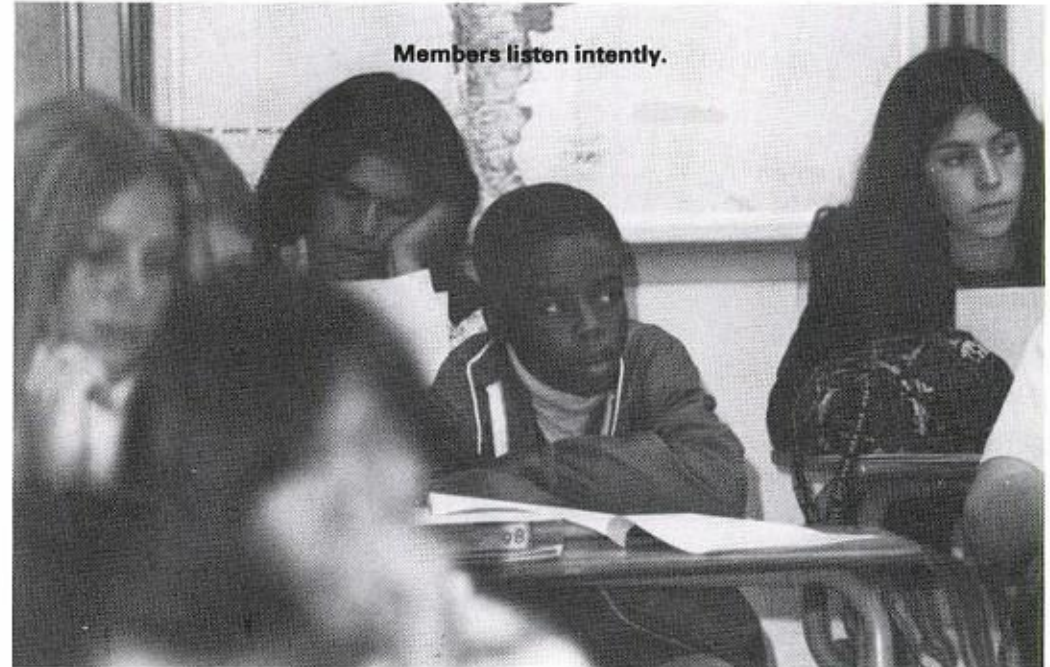

Mike Seitz had a brief quote about the student government: "I have found that this organization has given me much more of an education than anything else I have ever been involved in."

Any suggestions or comments?

As a part of the student government, the homeroom representatives function is an important one.

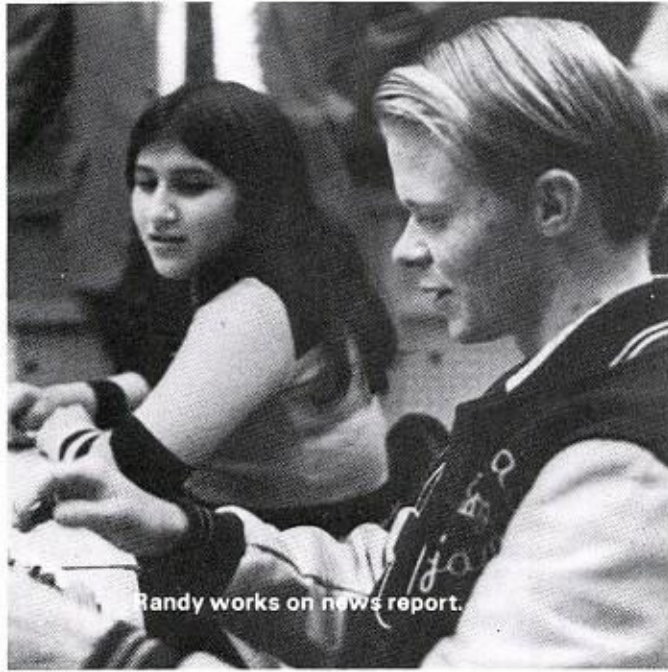

Each homeroom representative takes an agenda of the next meeting to his class and discusses it with his class and votes accordingly at the meeting. He then reports back to the class the results of the meeting.

A homeroom representative is elected by his third period class, and his rapport with them is an integral part of his service to them and the government.

Capturing Many Moods Of Music . . .

It was a rebuilding year for the Alisal High Symphonic and Marching Bands. Last year's graduation took a heavy toll of personnel. Almost one half of last year's organization were seniors, but they were replaced by many hard working and enthusiastic freshmen.

Their director, Mr. Gary Horsley, stressed discipline and overall good musicianship throughout the year. This year the Trojan band performed many various concerts as well as staging half-time shows and represented the Salinas area while participating in Band Reviews throughout Northern California.

The Alisal High School Band

This year's band officers were: Suzanne Anderson, president, Jonetta Chenea, vice-president, Janice Haydon, secretary, Leonora Sirwit, treasurer, and Allen Chinn, drum-major.

Suzanne Anderson responded to the year in this way: "I've enjoyed being band president this year. I will always remember the trip to Long Beach and to Nevada City. I hope the underclassmen will have as much fun as I have had all four years in Band."

Interested, impressed, and pleased, this is what makes the Ilios Club. Wrestling fans saw a lot of excitement and were pleased with the wrestlers this year. This year's statisticians were: Liz Arias, Lori Parker, Cheryl Camany and Jenny Arde. One of the many activities that the Ilios Club participated in was the King and Queen of Hearts Contest with Sara Aldape and Roger Diaz representing the club. With the help of their advisor, Mr. Espinoza, this year's club officers were: Mark Yamaguchi, president, Howard Powers, vice-president, and Cheryl Camany, secretary. Mark had this to say about the club: Ilios did a good job supporting the wrestlers this year. We bought new uniforms for them, held the Alisal Invitational, and hosted the Region IV Wrestling Tournament.

Preparing for the Outside World . . . F.S.A.

Are you sure that's the way that went?

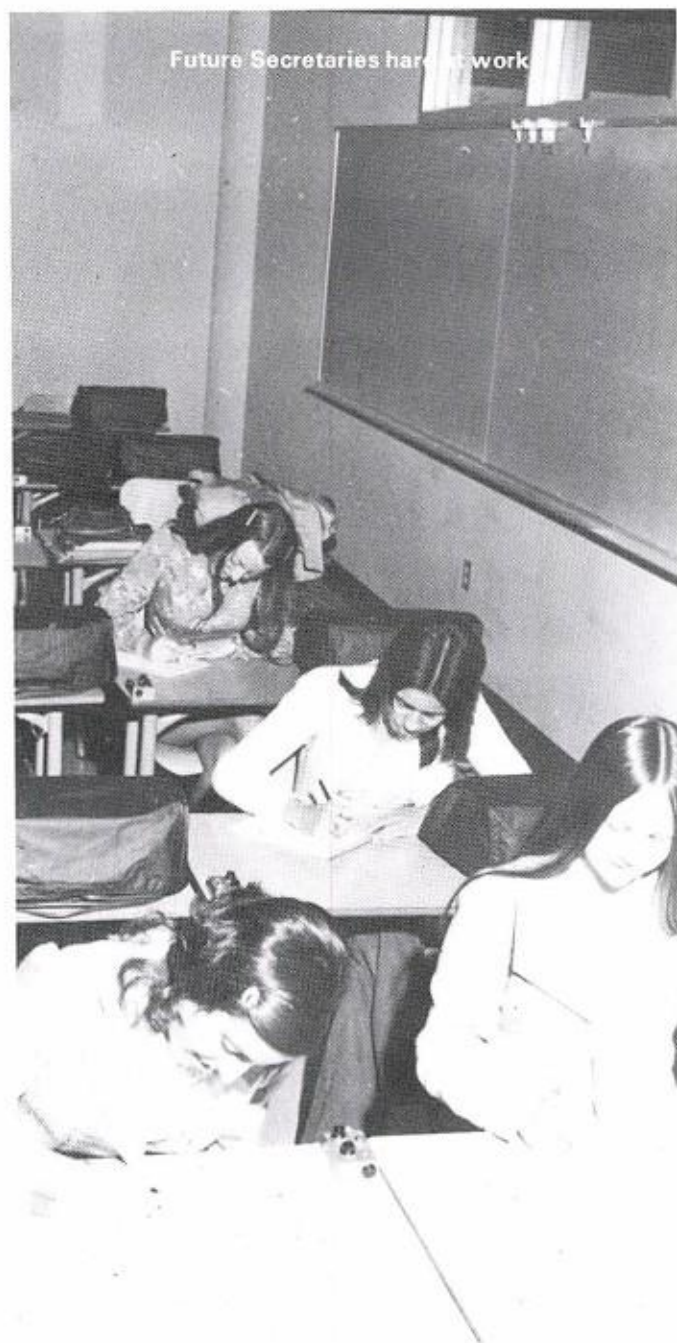

My girls, let's get this done.

This year's Future Secretaries of America was led by Diane Harrison, president, Debbie Shook, vice president, Maria Cuellar, corresponding secretary, Debbie Micheals, recording secretary, and Roberta Hees, treasurer. The club, this year, had an outstanding membership. The main objective was to help girls who plan to be secretaries when they enter the world on their own. With Mrs. Kirchner as their advisor, they held many fund-raising activities, such as an aluminum can drive and a fashion show. Diana commented on the club: I sincerely feel the club would never have gained anything if it hadn't been for the dedication and willpower of our fearless leader, Mrs. Odel Kirchner.

International Thespians

Kim is intrigued.

The time was the tense minutes before the curtain rises on opening night. The hard working actors, composed primarily of Thespians, know this play will be good. With all the time and effort the Thespians put in, how could they miss? To become an honorary Thespian you had to earn your title by putting in 100 hours or more of any work connected with the theatrical arts. If some of the Thespian members didn't get directly into the play, they worked hard back-stage and were glad and proud to be part of any production. Directed and advised by Mr. Mullins, the International Thespians put on many good performances this year. Diane Harrison, the president, had this to say about the club: Words can never express the deep admiration, gratitude, and appreciation I have for all the members (including the fabulous director, Mr. Dick "Boss" Mullins) because without them our theatrical society wouldn't be worth much.

Fay Bradshaw

Raising spirit for the athletes and students plus trying to make them feel at ease and happy was the inspiration of our varsity cheerleaders. These enthusiastic girls were advised by Mrs. Mortensen and Miss Stockton.

Head cheerleader Fay Bradshaw had this to say about being a cheerleader: "I personally love cheerleading. The greatest part of being one is when you can really see and feel how hard the rooters are trying. I've worked with so many wonderful people, and I am going to hate to leave them."

Marching, Charming, A Beginning . . . Our Lettergirls

A new addition has been added to our pep groups: charming lettergirls that march with our band and perform at half times! These talented girls do hand movements and formations like songgirls but march instead of prance. They are advised by Mrs. Mortensen and Miss Stockton. Head lettergirls Carmen Maness and Kelly Thompson had this to say about being a lettergirl:

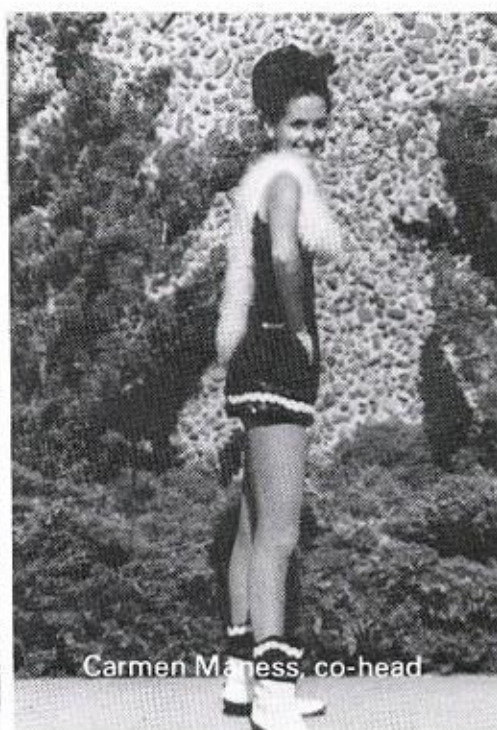

"We have progressed and improved our quality to make us one of the best groups at Alisal."

Promoting Worthy Leadership . . . N.H.S.

The National Honor Society is an academic organization for outstanding students in their sophomore, junior, and senior year. The club creates enthusiasm for scholarships, develops character, and promotes worthy leadership. To be eligible for this organization, a student must maintain a 3.0 average, and a good attendance record.

President, Karen Briggs, vice-president, Leonora Sirwet, secretary, Vicky Teague, and treasurer, Mary Kawahira have worked together to make this club possible. Mr. Puterbaugh also guided and advised them.

Symbols of Alisal High . . . Our Mascots

Emphasizing the symbol of Alisal as well as cheering at the games with the crowds were two very special people: Debbie and Melanie. As mascots, they boosted school spirit and performed routines during halftimes. They were advised by Mrs. Mortensen and Miss Stockton.

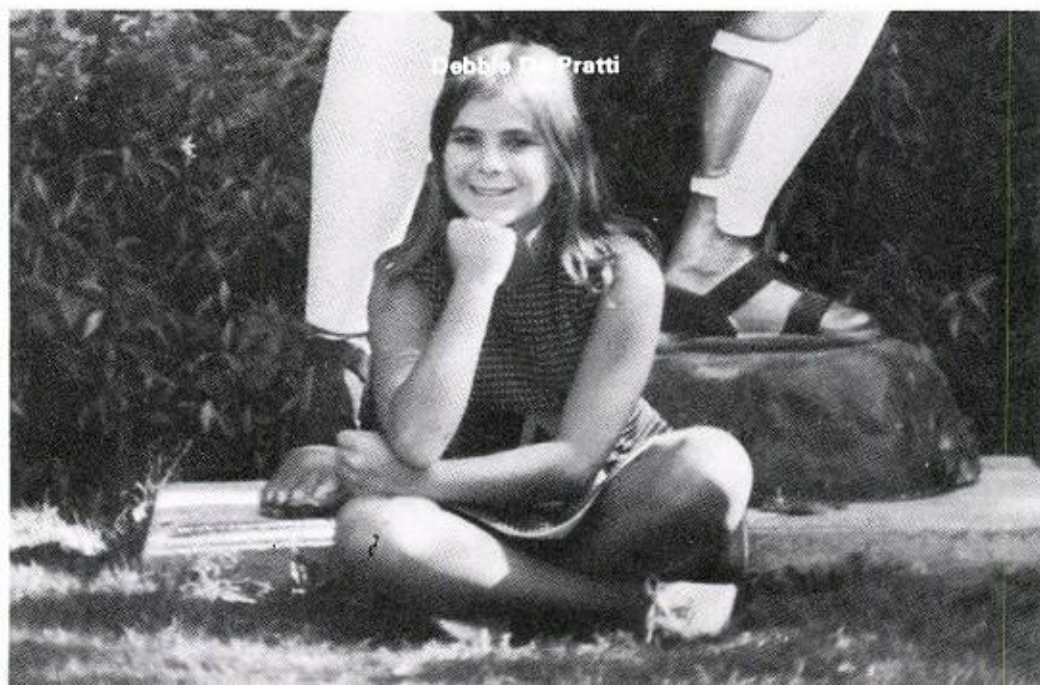

We asked Melanie and Debbie how they felt about being mascots, and they commented: "We get along very well. With two mascots, there are more things to do."

The club was responsible for the staging of the mouth-watering pie-eating contest, the hilarious peanut-push, the competitive wrist-wrestling contest, and many other fund-raising sales. The whole idea was to raise money, then spend it accordingly while being concerned at all times with the "comings-and-goings" of their money.

Paula Howard, president, commented: Under Mr. Fourcade's guidance, we sure had a barrel of fun when we sponsored our many activities.

Helping the School Out . . . Metals Club

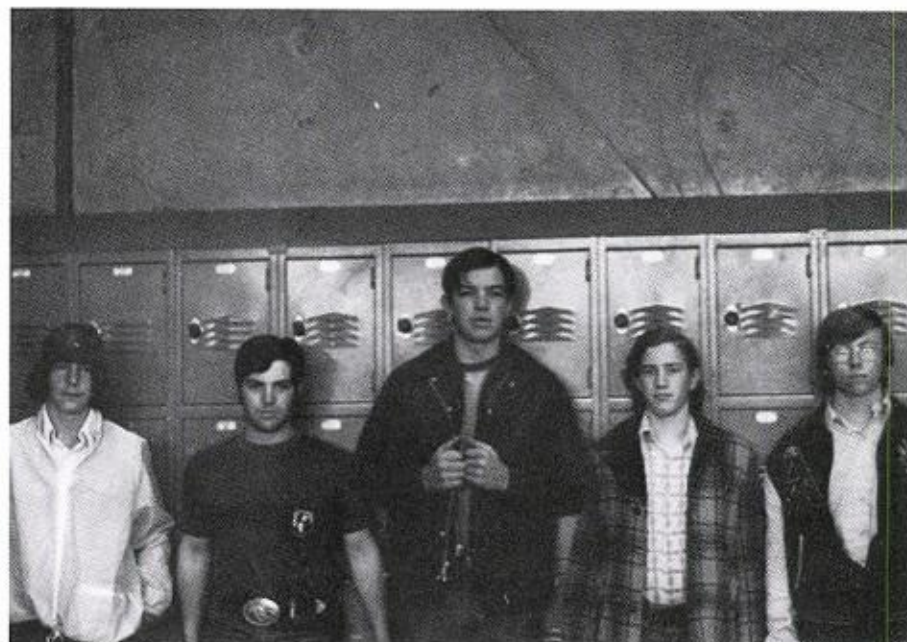

The Metals Club has a certain significance for its existence: helping others. In the past years, the Metals Club has built castles, drawbridges, and carousels for previous proms. If you remember that big hat with the balloons flying out of it at the Jamboree, that too was made by the metals club. It's built bicycle racks and assisted Eddy Escobar in improving our campus. President this year was Matt Cruthers; vice-pres., Earl Escobar, and Secretary, Rick Munoz. Mr. Larry Hale once again advised this helpful and needy organization. Matt Cruthers had this to say about the club: We are glad to help any organization in need of our service.

Stand back now.

This year, the American Field Service was fortunate to have Jean-Luc Bodson as its foreign exchange student from Belgium. During his year at Alisal, Jean-Luc stayed at the home of Mrs. Nancy Pura. Raising money to support the AFS student and the Americans Abroad program gave these officers well earned jobs: Sylvia Chacon, president, Mary Scott, vice-president, Sandy Ruttschow, secretary, Lori Gannone, treasurer, and Gina Thoeni, historian. They helped to expand the treasury to assure and send the two American Abroad finalists, Mary Scott and Janice Haydon, to a foreign country. Sylvia had this to say about the club: I am very thankful for our advisors, Mrs. Van Noy and Mrs. Di, whose advice and patience was extremely appreciated.

"Hey far out man," was the summerization of this year's yearbook staff, given by editor Janice Haydon, who performed well in her maiden year of editorship. Ably advising the class for the fifth year was Mr. Angelo. Helping Janice was Brenda Olds, who worked as a co-editor of Organizations with fellow co-editor Jessie Pabros and Cindy Ingram. In her third hectic year on the staff, Fay Bradshaw piloted the entire Senior Section receiving minor aid from fellow senior Ron Ritchie. Chris Morales teamed with Valerie Tonus to produce the Activities section. Mike Pura, editor of Boys' Sports worked hard to meet his deadline, as did Karen Doris who covered Girls' Sports. Sylvia Chacon, with creative inspiration from Debbie Sims, led the Classes' section with help from Liz Edu and Esther La Febre. The Faculty section was managed by Jimmy Mazzuca, and Bernadette Agpaoa created an outstanding Ads section. Providing miscellaneous help were: Allen Chinn and Ed Ramirez. Competent photographers were Chris Armington and Mario Amaro. With all of the work completed, a familiar cry rose from the staff-members, "Next year will be better," followed by Mr. Angelo's somber, "I hope so."

The Competitive Organization . . . G.A.A.

Getting the girls interested in after school sport and creating a unity between the girls was the Girls' Athletic Association's goal. Officers for this year included: Sharon Andrus, president, Terri Bozzo, vice-president, Beth Dyk, secretary, Karen Doris, treasurer, Liz Edu, fund raising, Teresa Gonzales, publicity, and Carol Hale, records. Having this responsibility gave the girls a new insight, since all the sports are now interscholastic, which makes competition stronger. This makes practice twice as hard. Mrs. Camany was always there for a helping hand when things got rough for the girls. Sharon commented: Athletics is an important part of any girl's life. As president of GAA, I Hope that the girls of Alisal High will become more enthusiastic about sports in the years to come.

To be recognized as a Block A sweater holder is a great honor; just ask any sweater wearer. The girls worked hard to earn the right to wear these sweaters. Taking time out from all the sports, the girls enjoyed activities such as swimming parties and barbecues. They also sponsored a car wash which in turn lead to a party.

Terri Bozzo, club president had this to say about the club: In Block A this year we had a lot of fun and many enjoyable get-togethers. I hope in the years to come Block A can be as fun as it was this year.

I Believe in Music . . . Vocal Ensemble

The Vocal Ensemble is a highly select, small group which represents the Music Department in many concerts for the school and community. These students are given an opportunity to explore music which would not be possible in larger groups. The students held many fund raising activities to help pay for their special outfits. The Vocal Ensemble was very proud to have Mrs. DiGiralamo as their advisor. The officers this year were: president, Danny

Simpson; Vice president, Penny Bingham; secretary, Sylvia Chacon; and treasurer, Gloria Simon. When Danny was asked about Vocal Ensemble, he replied: The Vocal Ensemble is at times a great part in the life of a person who plans to make singing a part of his life. Vocal Ensemble has given me a feeling of satisfaction and comfort. The closeness to my teacher at crucial points of my musical life has helped me find the right way to go to be myself.

The French Club was originated for those students who are interested in the French culture and language. The French Club had many activities this year including the Door Decorating Contest in which they placed third, the Twirp Dance, and the celebration of Mardi Gras. All of these activities were made possible with the help of their able advisor, Mrs. Bainter. This year's officers were: president, Grace Bandong, vice president, David Kong, secretary, Jeanette Bounds, and treasurer, Jill Forrest.

Learning to Cope with Life . . . Health Careers

Health Careers Club is for young people who are interested in giving part of their lives for helping others. In this club they learn what type of courses they will need to further their education in the medical field. This year the club was lead by Miss Brown, advisor, Sindy Ingram, president, Tina Kong, vice president, Tammy Garner, secretary and Carol Martin, treasurer. When Sindy was asked about the club, she replied: "I feel that this year has been another successful year. This club has helped many young people become what they want to be."

Electronically Efficient Electronics Club

The Electronics Club was quite busy with its many activities this year, the major ones were: developing inexpensive activities that the individual members could afford. A few of these activities are photography, radio control, airplanes, and model rocketry. The

members also repair things for teachers and students which provides the students with experience. The officer's of the club this year were: David Matt, president and Tony Gerbic vice-president.

Promoting interest in books, libraries and reading as a fun activity is the purpose of the Library Guild Club. This year the club participated in the Christmas Door decoration contest and received an honorable mention award. The club is also planning to sponsor Western Week to promote interest in stories and history of the West.

The officers are: James Green, president, Kim Camp, vice-president, Joyce Chamberlain, secretary, Reyola Ching, treasurer. The advisor is the librarian, Mrs. Wilson. President James Green commented: "I think it is a good club, if we had more members, it would be better."

The Fantastic Four

Raising enough money to rent and also produce their own films kept the Films Club active this year. Making their own film in Carmel during the summer was a hilarious experience and a memorable activity.

Their mighty leader was Mr. Foreman advising them in time of need. Dave Banda served as president, Bruce Victorine, vice-president, Sandy Ruttschow, secretary, and Rose Ramos, treasurer.

Dave commented on his club saying: "I think getting people together in a spirit of friendship was the most rewarding respect of the club."

Backing Up our Track Athletes . . . Track Interest

The Track Interest Club had its share of activities this year at the track and cross country meets. Cheering and encouraging, doing the little jobs that had to be done at the meets were the main function of this club. These jobs ranged from keeping score to raking the jump pits. They also painted and lettered the new name boards that were hung this year. The club officers were: Rosanne Ryburn, president, Jessie Pabros, vice-president, Edwing Worden, secretary, and Michelle Lineberry, treasurer.

Rosanne commented on the club: I was surprised at how much the club accomplished this year with just a few members.

Experiencing German Culture . . . German Club

Sprechen sie Deutsch? Bringing together people who are interested in German culture was the purpose of the German Club. The members participated in activities which had something to do with Germany's way of life. Every year they take a field trip to the Monterey Viennese Bakery, sell Gummi Bears, and participate in the Christmas Door Decoration contest. For three years they've had a German banquet for the families of the club members.

Keeping the club active were president, Bill Cunningham, vice-president, Esther Russo, secretary, Marsha Ward, treasurer, Alicia Echon, and advisor, Mrs. Smith.

Bill summed up the year by commenting: With all the activities we were able to participate in, I have found them enjoyable and wish they could continue so that others may also enjoy them.

Learning the Fun Way to Ski . . . Ski Club

A new and exciting organization at Alisal was the Ski Club. They sponsored a bake sale and ping-pong tournament. Through these activities, the members of this club were able to go to Dodge Ridge skiing for a day. This was a unique first time experience for the members and their advisor, Mr. Sarkisian. The 1973-1974 officers were: Willie Pura, President, Annette Ferreira, Vice-President, Cheryl Camany, Secretary-Treasurer. The Ski Club's officers worked hard trying to promote interest in the club in hopes that it would continue.

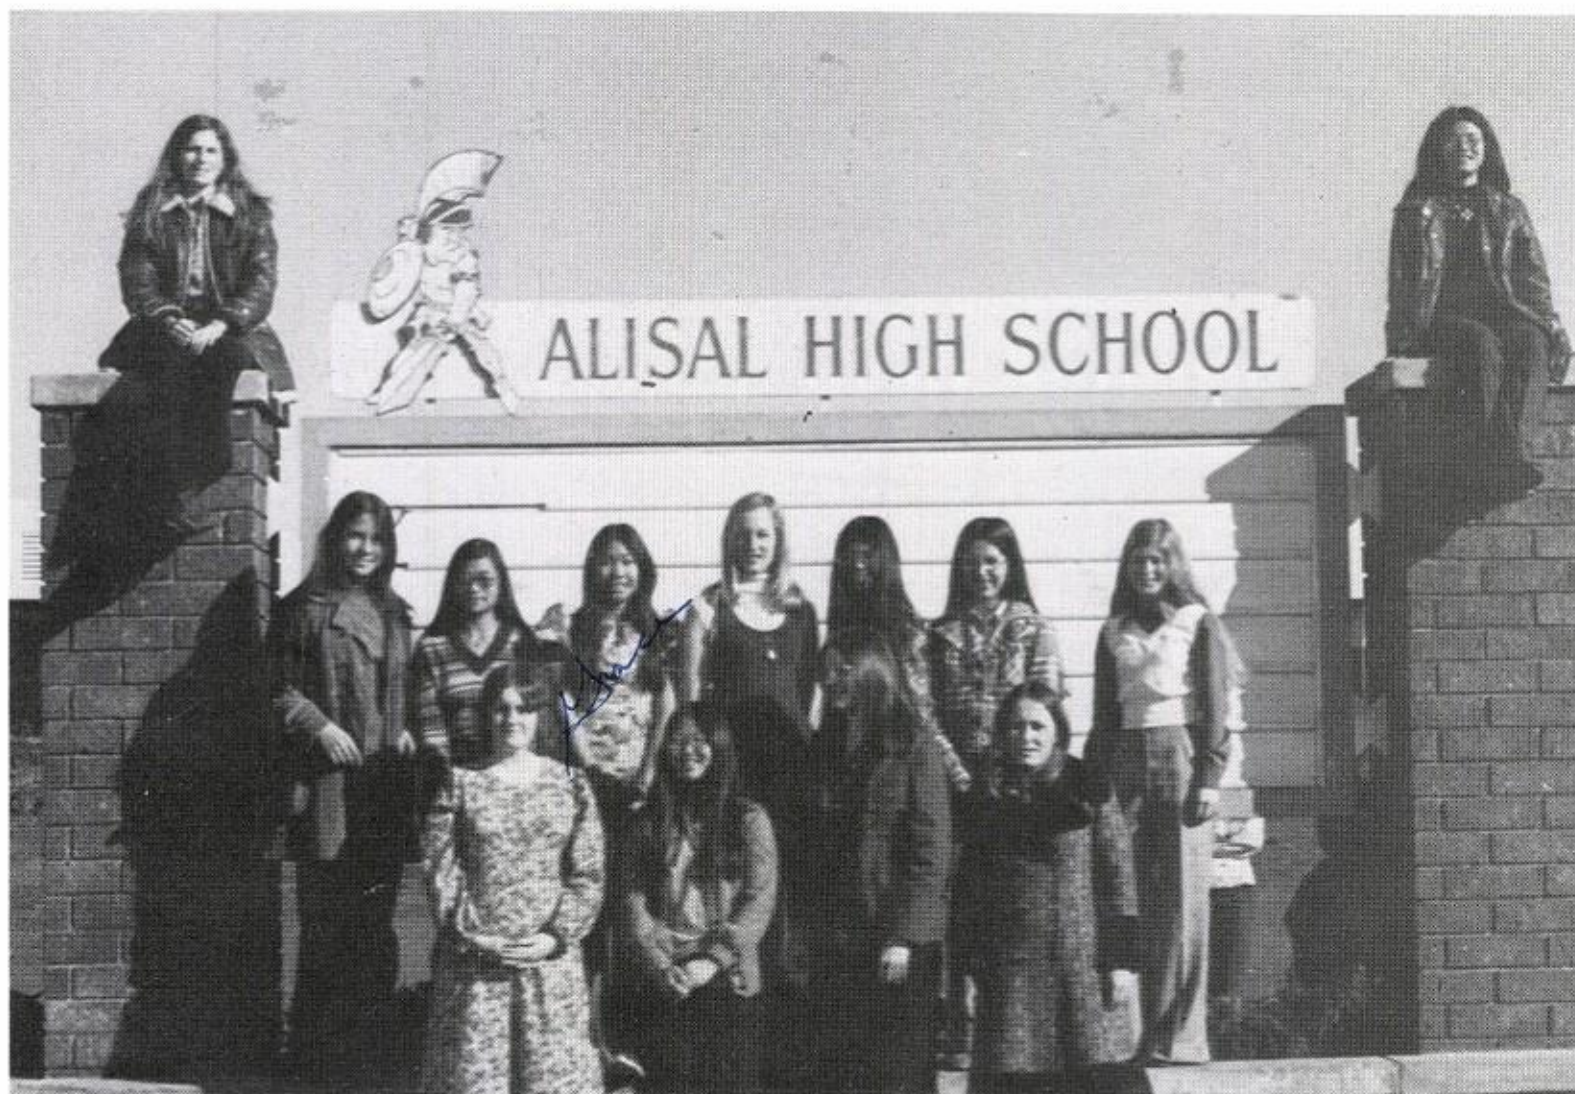

Good Grades Pay Off . . . C.S.F.

This year the organization CSF worked hard; they had to, to maintain their grades. Spending a lot of time on homework wasn't the only thing they did, however, they had many worthy activities. Mary Scott was the president of the club, and Mrs. Cobbley (the club's advisor) helped out whenever it was necessary. The club had a very successful year, with many people qualifying.

For the first time in Alisal High's history, we tied for the rooter's trophy, which we shared with North Salinas and Salinas High.

A Gooney Pie, An Aching Stomach . . . L.S.E.P.F. Pie Eating Contest

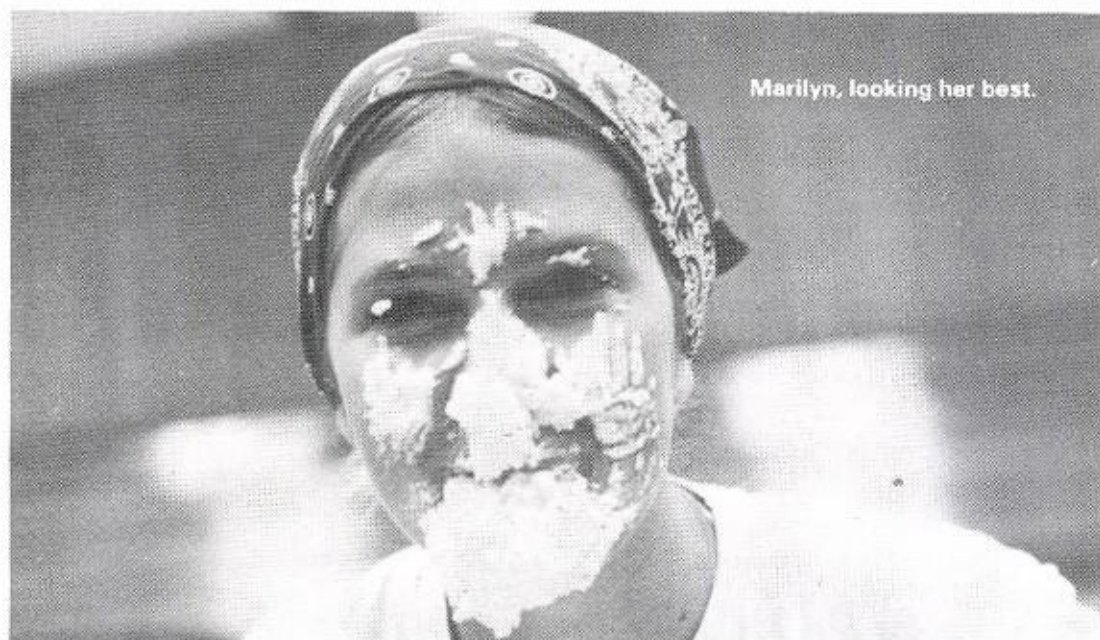

Laughter roared through the bleachers. Banana, chocolate, vanilla, and pumpkin cream pie covered the gym floor. The contestants eagerly and energetically dove their faces into a mass of cream and indulged as much as their stomachs could hold. Minutes later a pie eater submerged from the remains of a tasty pie and gasped for air. We had a winner!!

For the ninth year, Alisal High was threatened (oops) treated to the annual pie eating contest, sponsored by the L.S.E.P.F. Club. Janice Haydon's hard efforts brought her a first during fifth, while Rex Samples, who wasn't too far behind came in second. The sixth period winner was Pete Pura. Coming in with a strong second was our very own foreign exchange student, Jean Luc Bodson!

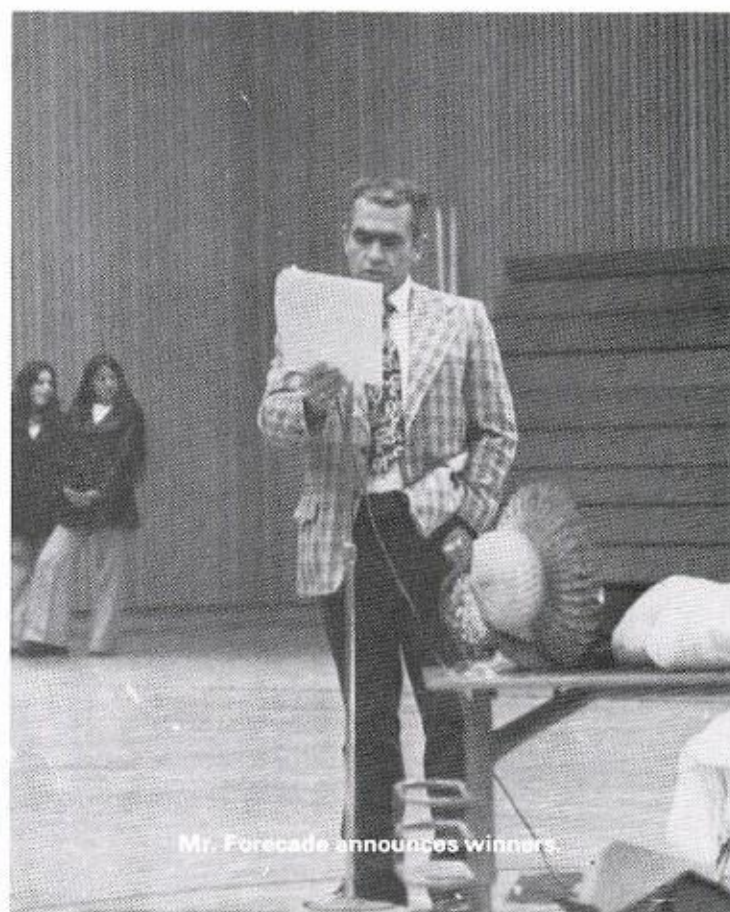

Turkeys were awarded to the pie eaters for their magnificent performances. As consolation prizes, smaller turkeys and turkey pie dinners were given.

An Exchange With Belgium

During the year 1973-1974, Belgium is the guest of Alisal High School. My name, Jean Luc Bodson, has been found so difficult that I am called "Lucky John" or "Freebee".

When I left Europe, I was living in an apartment quite little but comfortable. I have one brother, younger, Pierre, who is also going to high school. Angleur, where I live, is a beautiful suburb of a large city called Liege in the southern and French part of Belgium. If I had to describe my area, I would be very romantic. "The wind blowing in the woods, the snow in winter, the yellow flowers in summer, and the red polluted sky." Sometimes these things have put some color and sound in a life which was boring (sleep, bus, school).

My school in Europe has been very hard. I took "Scientifique A" which meant a schedule of 14 classes every week with 11 hours of mathematics a week. I have always appreciated Pink Floyd, Bach, movies, and politics.

Perhaps one has to find in that passion my love of traveling and of meeting new people. I have fortunately found in AFS a friend who was thinking the same thing and as a result I have had the lucky opportunity of knowing all of you at Alisal. As a message, I would give you this idea: never stop anywhere but continue on your way, fighting for a better understanding between people. Be ready to give your time. Make known your passion for life. Then there will be a better justice everywhere.

En cette année 1973-1974, la Belgique est l'hôte de Alisal High School. Mon nom, Jean Luc Bodson, fut trouvé difficile à écrire et on m'a appelé "Lucky John" ou "Freebee".

Quand je quittai l'Europe, je vivais dans un appartement petit mais confortable. J'ai un jeune frère, Pierre, qui va également au collège. Angleur, est un paisible faubourg de Liège, située dans la partie française de la Belgique. Si j'avais à décrire ma région, je serais très romantique. "Le vent soufflant dans les bois, la neige en hiver, les fleurs jaunes en été et le ciel rouille et pollué." Parfois ces choses ont mis un peu de couleur et de son dans une vie qui était ennuyeuse (sommeil, bus, école).

Mon école en Europe fut très éprouvante. J'avais suivi les "Scientifique A" ce qui signifiait un horaire de 14 cours chaque semaine. Année 11 cours de math. Heureusement, j'ai toujours apprécié autant Pink Floyd que Bach, le cinéma et la politique.

Peut-être doit-on trouver dans cette passion mon amour pour les voyages et la rencontre. J'ai heureusement trouvé dans l'AFS un ami qui pensait la même chose et comme conséquence j'ai eu l'occasion de connaître vous tous et d'étudier l'Alisal. Comme dernière chose je vous dirais ceci: Ne vous arrêtez jamais nulle part mais continuez d'être humains, vous battez pour une meilleure compréhension entre peuples, et soyez prêts à donner votre temps pour faire connaître vos opinions, votre amour pour une meilleure justice partout.

All The World is a Stage . . . Drama Department

Alisal High School's Theatre Department offered several different types of theatrical experiences to its students this year. The gentle comedy, "Harvey" was presented in arena theatre in the fall. "David and Lisa", a serious play about the problems of two young people, was offered in the spring. In addition, the department performed a children's play, "The Emperor's New Clothes". Production of the fifth annual "Peak Night" brought the season to an end. The students traveled to San Francisco and even Ashland, Oregon to view several drama presentations.

Art students work diligently.

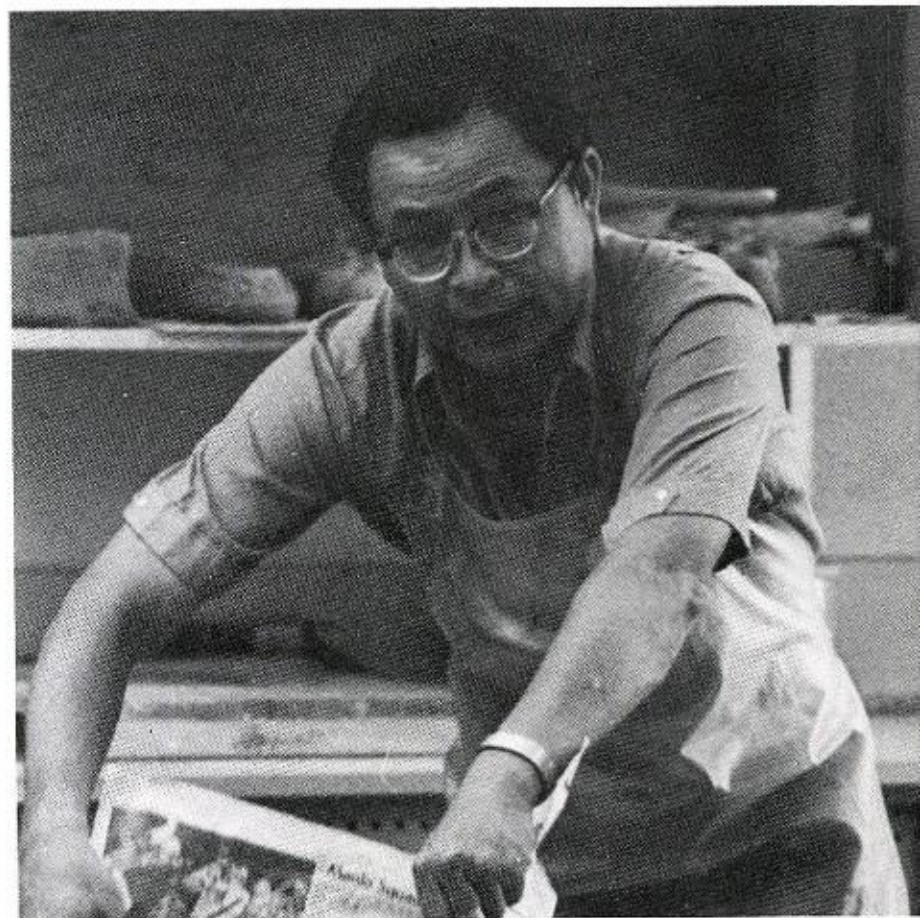

The beginning of a creation.

Alisal High's Art Department has always produced work that was creative and inventive and this year was no exception. The students worked with leather, clay jewelry, and other crafts. They learned how to put a little bit of themselves and to add their own touch into their work. This year the Art Department lost Mrs. Roessler who had taught arts and crafts. Mr. Lee and Mr. Johnson, this year's art instructors, taught with a certain style which made the year an exceptional one.

Listen to the Music . . . Vocal Music

Listening with smiles.

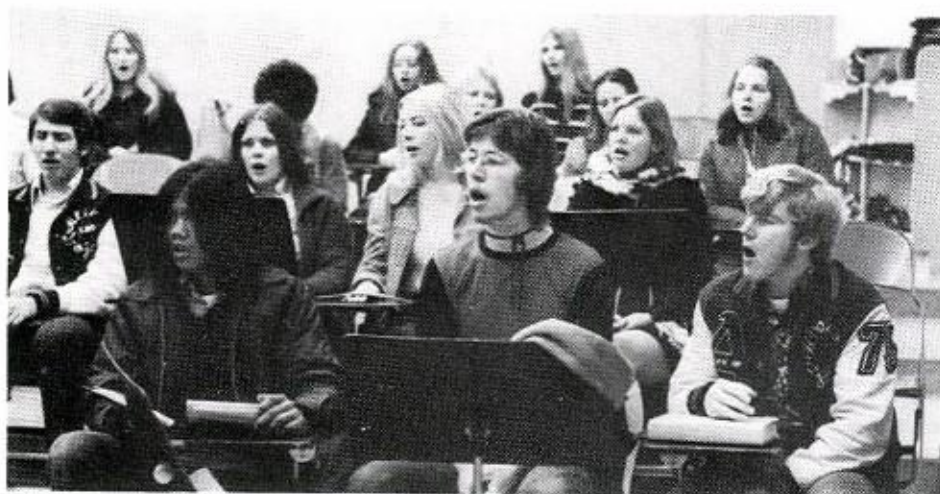

High notes and low notes. Sweet notes and sour notes. The vocal groups of Alisal High always managed to put together the right sounds, and this year was no exception. The Christmas concert, which was held on December 20, 1973, was, of course, a great success for all vocal groups and especially to Mrs. Di who directed them.

Mrs. Di Girolamo, a very dedicated and talented vocal teacher, has contributed much time and effort to make vocal a tremendous success. She has always earned sincere thanks and gratitude for a job well done.

This year, the Alisal High School band was an inexperienced one with over 40 Freshmen. Although the band was young, it had a very busy year. There were three concerts and numerous parades which the band attended. One of the highlights of the year was the second annual Alisal Band Playnight where the band invited North Salinas and Salinas High bands to a night of fun and games. The band also held a Pancake Breakfast and raffled off a motorcycle and a television in order to make money for a trip to Hawaii. Unfortunately, the trip could not be made due to the energy crisis. The year's officers were Suzanne Anderson, president, Jonetta Chenea, vice-president, Janice Haydon, secretary and Leonora Sirwet, treasurer. Drum major was Allen Chinn. Mr. Horsley conducted the band.

HOMECOMING 1973

Miss Angie Marquez is crowned 1973 Homecoming queen by former queen Mary Cowan.

For the 1973 Homecoming, the Trojan marching band began the ceremony by performing a short halftime. It featured the drill team, flag girls, and majorettes. The queen candidates then entered the field. The queen candidates were: Miss Julie Azzopardi escorted by Alfred Perez, Miss Fay Bradshaw with escort Duane Anderson, Miss Debbie Salinas whose escort was Greg Pittard, and Miss Angie Marquez with escort Fred Osborn. Chosen to be Princesses for the Junior class were Miss Janice Haydon escorted by Phil Dyk and Miss Roberta Heess with escort Tom Gray. The Sophomore class once again nominated Miss Yolanda Barragan whose escort was Ruben Pulido. The Freshman Princess was Miss Kim Tolsen escorted by Cory Patton. The suspense which had lingered throughout the day was finally broken as Miss Angie Marquez was crowned Homecoming queen by former queen Miss Mary Cowan. Angie was presented with the queen's crown and red roses. Making the evening complete was the defeat of the Salinas High Cowboys by the Alisal High Trojans 22-21.

Alisal Decks the Halls

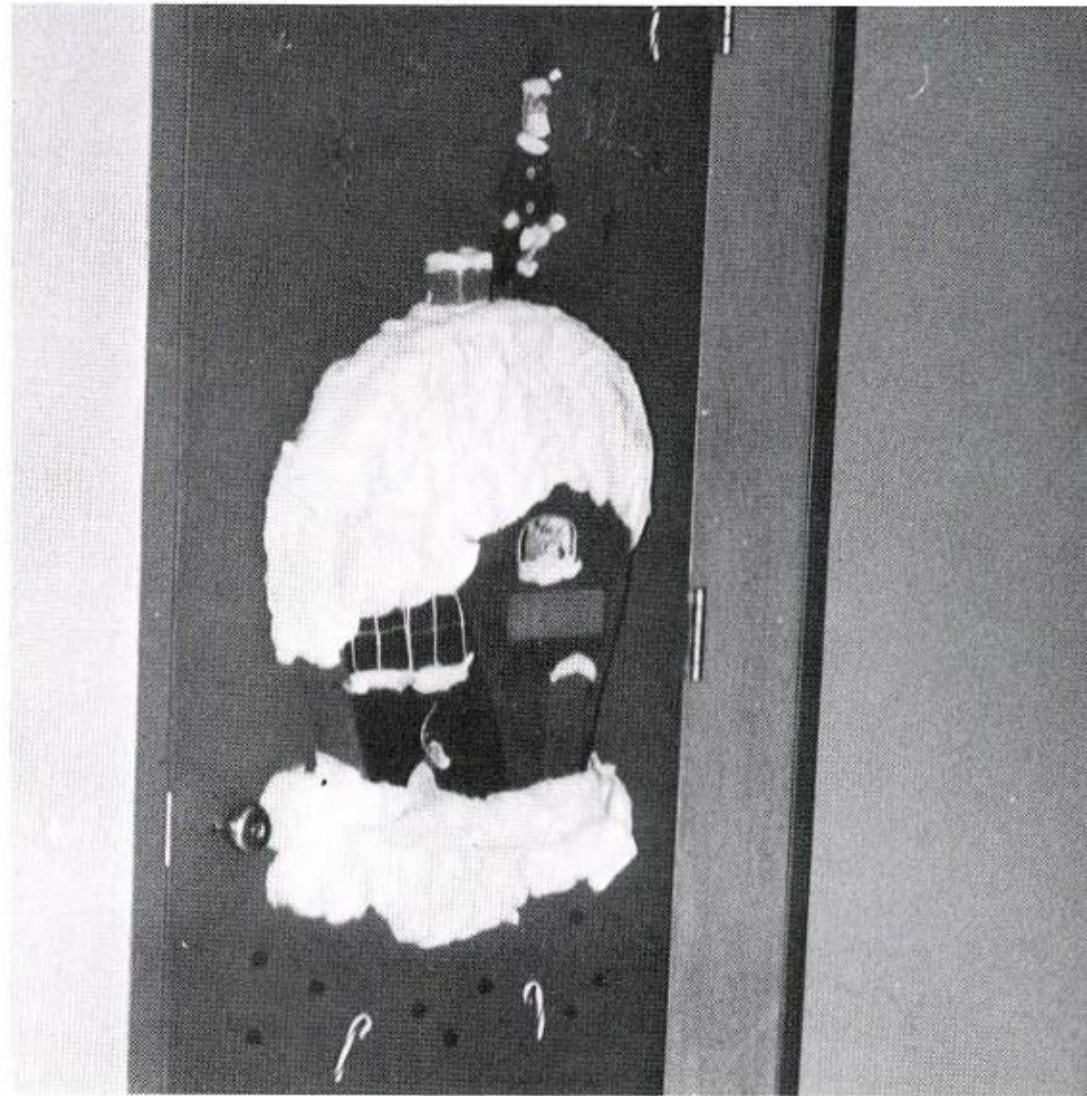

Santa and his house brighten the hall.

Peppermint candy canes, sprigs of mistletoe, and brightly decorated doors created the Christmas mood for the students of Alisal High. Students and teachers smiled gaily at one another as Christmas music and festivities penetrated through the school. Everyone was eager to join in with the spirit of the upcoming holiday.

Freshmen sold tasty cookies, while Sophomores, for the second year in a row, sold candy canes, and the Juniors passed out mistletoe for a small price. Many of the clubs entered into the annual Door Decorating Contest and let their imaginations go, creating interesting and colorful doors.

Everyone took part in making Christmas spirit alive at Alisal. Even when everyone left for vacation, the halls still lingered with the true spirit of Christmas.

A Social Gathering . . . Assemblies

The audience waited in suspense as the man shook the bottle vigorously. Seconds later, the audience gasped as a mass of white foam rubber flew out of the bottle. Later, the man picked a student from the audience to be in his next demonstration. The students eagerly awaited to see what would happen next. The "Previews of Progress" demonstration is just one example of the assemblies Alisal High had this year. This assembly was given by two General Electric representatives who gave our school descriptive, illustrated examples of today's progress in the field of science.

Tim Owens, a country western artist from Nashville, Tennessee, filled the gym with his own special style of music and captivated the audience at another one of our assemblies. He soon had the students clapping their hands to the beat of his music as he willingly sang and strummed his guitar.

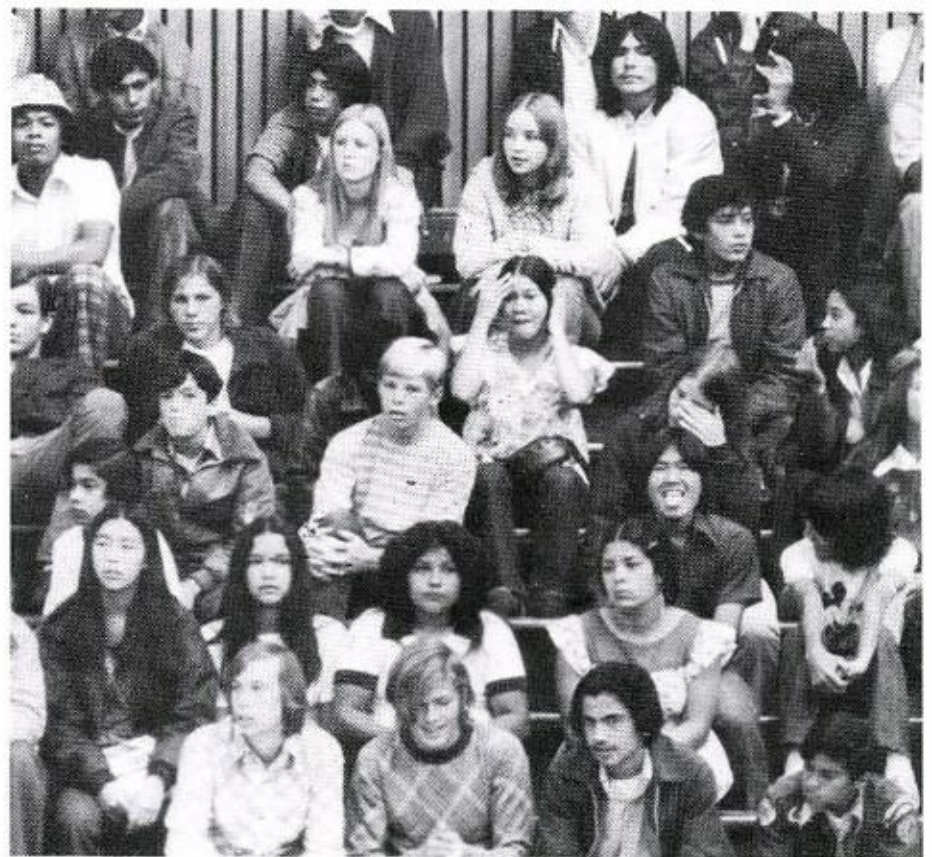

These two programs are examples of the successful and entertaining assemblies the students at Alisal had this year. Many thanks to commissioner of publicity, Kathy Powell, for arranging these fine assemblies.

This year's King and Queen were Doug Kuepfer and Grace Bandong sponsored by the French Club. Second place went to Ema Cardona and Tracy Tanawan sponsored by the Sophomore Class and third place was Evelyn Barrientos and Arthur Quienteros sponsored by the soccer Club. The band, Savannah, proved to be very enjoyable and helped to make the 1974 King and Queen of Hearts Dance a memorable one.

"Harvey", "David and Lisa" Take Top Billing

This year the Drama Department presented a variety of delightful, dramatic productions. "Harvey" was presented in the fall. This play was a fantasy about Elwood P. Doud and his imaginary friend, Harvey. In the spring, "David and Lisa" was offered. The plot concerned itself with a young teenage girl, her mixed-up, emotional world, and her relationship with a boy named David. Mr. Richard Mullins is responsible for putting on these fine, enjoyable plays.

Queen Susan Tonus and Bill Giannotti.

As the basketball season rolled around so did the excitement of the 1974 Basketball Homecoming. Homecoming was held on February 19th when the Alisal Trojans met the Toreadores of Monterey in the last game of the season. The candidates and their escorts, were: Julie Azzapardi with escort, Larry Thomas, Lyn Anderson with her escort, Duane Anderson; Debbie Douglas with escort John Marsala, and Susan Tonus with her escort, Bill Giannotti. During a half-time ceremony, Susan Tonus was announced Alisal's 1974 Basketball Homecoming Queen, Susan was crowned by Debbie Sartwell, Alisal's 1973 Queen. She was also presented a dozen red roses and an engraved tray.

Lending a Helping Hand . . . Work Experience

"Helping students find jobs and providing understanding counselors" . . . Work Experience. When a student is in need of a job Miss Garbarini or Mr. Whitely try and fulfill the need. Students earn credits for Work Experience depending upon the number of hours worked during the month. Work Experience teaches student employees the kind of attitude and the many responsibilities of holding a job in the American society.

A Program To Help You Plan Your Future . . . R.O.P.

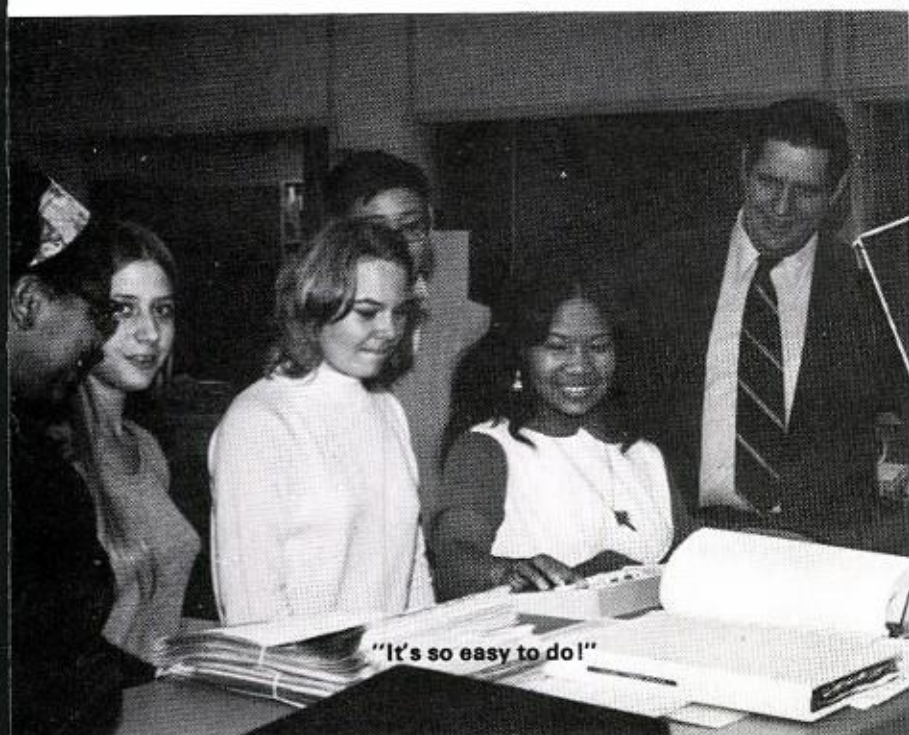

The Regional Occupation Program is a successful way students can obtain a well-paying job while going to school. Many students have now entered different professional fields such as Dental Assistants, Floriculture, Carpentry, Cosmetology, and Retail Merchandising. These students are bussed to different areas; Gonzales High, Dick Bruhn's, Hartnell, and Salinas High. Classes cover for one or two semesters, depending on the depth of the class subject. The classes last for three hours and the students receive ten credits for each semester. Mr. Whitely and Miss Garbarini are responsible for this fine program.

"I Remember" . . . Childhood Reunion Day

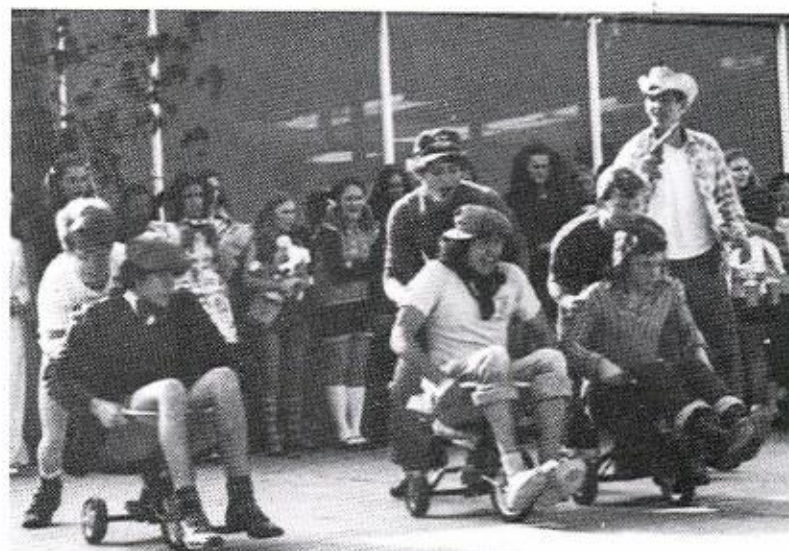

As Seniors looked back on their crazy childhood days, they became children once more. In the inner-court, such activities were held as the famous tricycle race in which Seniors vied for the chance to peddle to first place. Around feeding time Steve Crain gulped his way towards first in the bottle feeding contest. Other activities were relay races, and jump roping. The Childhood Reunion Day was just one of the many activities the Seniors participated in this year.

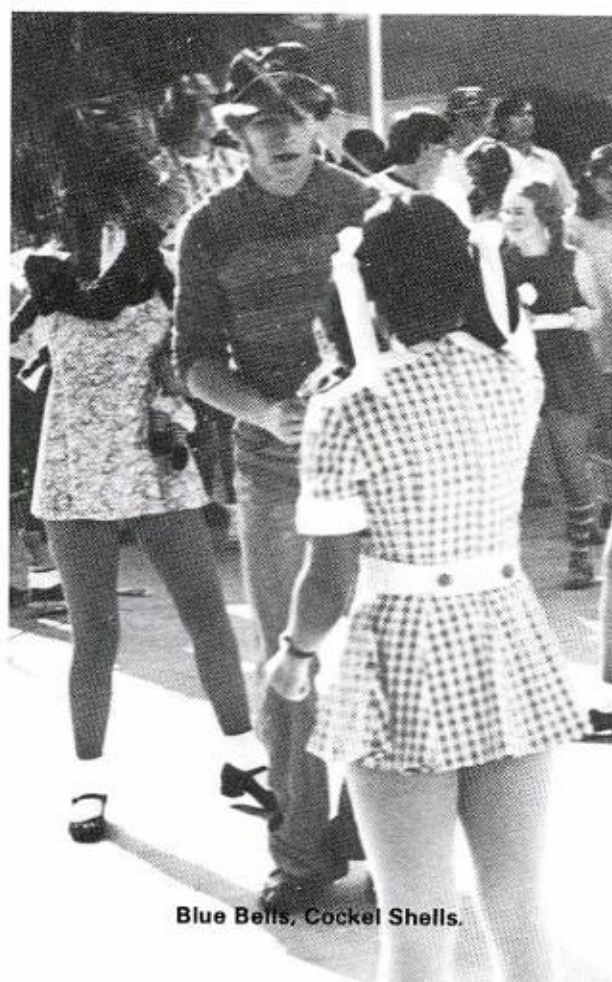

It's time for the one o'clock feeding!

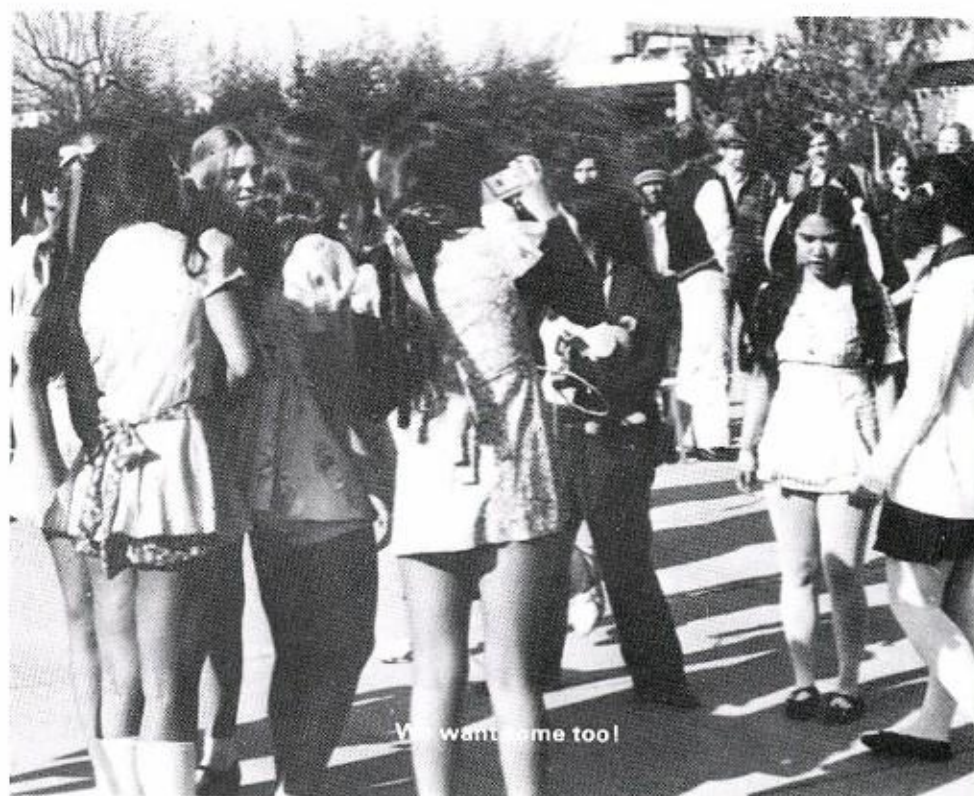

Coming around the bend is Dinker Harrison and Denise Böling.

And the race begins!

A smile costs nothing, but gives much. It enriches those who receive, without making poorer those who give. It takes but a moment, but the memory of it sometimes lasts forever. A smile cannot be bought, begged, borrowed, or stolen, for it is something that is of no value to anyone until it is given away. Some people are too tired to give you a Smile. Give them one of yours, as none needs a Smile so much as he who has no more to give. Janice & Brenda	Best wishes to each student of the class of 1974. "Today is a beautiful day! The rays of light filtered through the sentinels of trees this morning. I sat by the creek and contemplated. I missed classes, but somehow it didn't matter. The serenity and beauty of my feelings and surroundings completely captivated me . . . I thought of life. I discovered it tucked away in the shadows of the trees. Then rediscovered it on the smiles of the flowers as the sun penetrated the petals . . . in the rhythm of the leaves falling upon the stream . . . and the dying of a friend." -Anonymous

Producing a yearbook that will meet the demands of a student body is no easy task. The staff continually worked together, to create and capture remnants of our school year. Each had to give some part of himself, and some gave more than others. To those who offered their utmost talents, I extend my appreciation.

As a new editor with a varied background, I soon faced many difficult responsibilities and challenges. Frustrations, tears of agony, and exhaustion resulted many times, and I found that I relied heavily upon the advice and guidance of Mr. John Angelo. With five years of experience as yearbook advisor, he knew what was far ahead of us and was ready for the staff when we entered mass confusion. We deeply thank you, Mr. Angelo, for giving us your much needed time.

This year's staff members gave much of their time and creativity to their jobs, and I would like to extend a very special thank you to each of them. Still, certain people on the staff deserve extra recognition for service "above and beyond the call of duty". Bernia Appaia, ads; Fay Bradshaw, seniors; Sylvia Chacon, classes; Karen Doris, girls' sports; Cindy Ingram, organizations; Brenda Olds, organizations; Mike Pura, boys' sports; Debbie Sims, classes, all devoted extra time to their sections.

Color pictures always seem to add a special spark of meaning to any book. Mr. Ken Cook deserves much more than just a thank you for his fantastic pictures. He was always there, ready with an outstretched hand to offer his assistance.

Hurl Swartz and Dolly and Bob's Photography also deserve gratitude for their help in capturing scenes of reflections in our book.

Financing a yearbook can run into many bills, much paperwork, and unwanted hassels. Mrs. David, we thank you for giving your assistance.

I would like to acknowledge a personal thank you to Aurora Lozada for her artistic contributions, Mr. Kroeger for his help in the business office, and Mr. Poulsen for his encouragement throughout the year. Without these people, our yearbook would not have those certain qualities it has.

A very personal, extra-special "thank you" is given to Brenda Olds, organizations' editor. I am grateful for all the extra help she volunteered, and for the many long hours we spent checking pages, drinking tea, and eating peanut butter cookies in the early morning hours! Thanks!

The Trojan staff of 1973-1974 each put a part of himself into your book, trying to capture glimpses of this past school year. We hope that you will look back through your book and recapture those experiences and moments that were once yours.

Sincerely,

Janice Haydon
